Holy Scripture Revelation Inspiration And Interpretation Christian Foundations:

Holy Scripture Donald G. Bloesch,1994 In *Holy Scripture* Donald G Bloesch sets out the pivotal evangelical doctrines of the Bible s revelation inspiration and interpretation Wishing to defend the orthodox evangelical faith from its friends as well as its enemies Bloesch provocatively argues against both evangelical rationalism and liberal experientialism And he proposes the alternative of biblical evangelicalism which sees Scripture as the written Word of God but stresses that it becomes the living Word of God only through the illumination of the Holy Spirit *Holy Scripture* Donald G. Bloesch,2010-08-21 Voted one of Christianity Today s 1995 Books of the Year In *Holy Scripture* Donald G Bloesch sets out the pivotal evangelical doctrines of the Bible s revelation inspiration and interpretation Striving to defend the orthodox evangelical faith from its friends as well as its enemies he provocatively argues against both evangelical rationalism and liberal experientialism And he proposes the alternative of biblical evangelicalism which sees Scripture as the written Word of God but stresses that it becomes the living Word of God only through the illumination of the Holy Spirit In dialogue with Martin Luther John Calvin P T Forsyth Karl Barth and Emil Brunner Bloesch s *Holy Scripture* examines the implications of biblical authority for the 21st century It surveys the role of the Bible as seen within the Bible itself and as that role has unfolded through centuries of Christian tradition It also explains and critiques many highly contested issues such as the value of biblical criticism the meaning of myth the plethora of hermeneutical options and the nature of truth **A Down and Dirty Guide to Theology** Donald K. McKim,2011-07-11 This brief humorous introduction to theology by noted educator and author Don McKim will provide seminarians college students and general readers with a fun way to learn the basics The book covers the key movements thinkers definitions and questions of theology in a lighthearted way Includes illustrations by Ron Hill A Critical Examination of the Doctrine of Revelation in Evangelical Theology Carisa A. Ash,2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward **Donald G. Bloesch** Paul Maher,2007 Donald G Bloesch is among the most important American theologians of the 20th and early 21st centuries He calls himself a catholic evangelical and indeed his appeal is as wide as those terms imply His work has appeared in Catholic religious periodicals as well as many varieties of Protestant publications both mainstream and lesser known As a prolific author Bloesch s writing is scattered across a large number of journals many

of which are difficult to access and reviews of his work appear in an even larger range of forums Donald G Bloesch A Research Bibliography collocates as many relevant resources on Bloesch s writing as possible The book provides a chronological listing and description of each work written by Bloesch as well as reviews of Bloesch s writing Each entry gives the title publication details and notes about the relationship of the item described to other publications Several indexes are also included giving a checklist of books by Bloesch a checklist of books to which Bloesch has contributed and a list of book reviews that Bloesch has written about other authors Finally there is an alphabetical index of titles names and periodicals cited in the bibliography making this the most comprehensive resource available on Bloesch **The Mosaic of Christian**

Belief Roger E. Olson,2016-03-21 In this second edition of Roger E Olson s classic work he thematically traces the contours of Christian belief down through the ages revealing a pattern of both unity and diversity He finds a consensus of teaching that is both unitive and able to incorporate a faithful diversity when not forced into the molds of false either or alternatives

The Fall of Interpretation James K. A. Smith,2012-04-01 In this provocative book James K A Smith one of the most engaging Christian scholars of our day offers an innovative approach to hermeneutics The second edition of Smith s well received debut book provides updated interaction with contemporary hermeneutical discussions and responds to criticisms

Anthony C Thiselton and the Grammar of Hermeneutics Robert Knowles,2014-07-08 A provisional and preliminary attempt to show how the formative hermeneutical thinking of Anthony C Thiselton once systematized and critiqued can begin to resolve the major problems found in the discipline of hermeneutics today most notably its varying disunities theoretical practical and inter disciplinary This book aims to show that the formative thinking of Anthony C Thiselton provides valuable insights for a programmatic construction towards a unified hermeneutical theory This construction provides powerful keys for unlocking six contemporary problems in hermeneutics disorganization complexity abstraction theoretical disunity on several levels inter disciplinary polarization and irresponsible interpretation Robert Knowles exhaustive analysis engages critically and creatively The Last Things Donald G. Bloesch,2010-03-23 In The Last Things Donald G Bloesch takes up

difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church The Last Things is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today Reading the Bible Missionally Goheen,2016 Over the past half century it has become clear that mission is a central theme in the Bible s narrative and moreover is central to the very

identity of the church This book significantly widens and deepens the emerging conversation on missional hermeneutics Essays from top biblical and missiological scholars discuss reading the Scriptures missionally using mission as a key interpretive lens Five introductory chapters probe various elements of a missional hermeneutic followed by sections on the Old and New Testaments that include chapters on two books from each to illustrate what a missional reading of them looks like Essays in two concluding sections draw out the implications of a missional reading of Scripture for preaching and for theological education Publisher *Reading the Bible Wisely* Richard S. Briggs, 2011-09-09 Covers how to read the Bible in historical literary and theological context highlighting the significance of its two testament structure and its contribution to a doctrine of scripture *The Anointed Son* Myk Habets, 2010-01-01 Spirit Christology complements Logos Christology in the same way in which Christ and the Spirit are mutually constitutive Or at least this should be the case The history of Christian thought shows that Logos Christology has dominated resulting in both an eclipse of Trinitarian doctrine and a diminution of pneumatology Recently there have been calls to reclaim a theology of the Third Article in order to present a Trinitarian theology that is faithful to Scripture the Great Tradition and one that is existentially viable While studies examine various aspects of Spirit Christology there has yet to appear a work that introduces the doctrine examines the various mutually exclusive proposals and offers a constructive trinitarian proposal The present work does just this introducing the constituent features of a Spirit Christology that is Trinitarian orthodox and contemporary The current work proposes a model of Spirit Christology that complements rather than replaces Logos Christology and does so in a robustly Trinitarian framework Within contemporary theology a pneumatically oriented approach to Christology is being advanced across denominational and traditional lines Those wanting to navigate their way through the many competing proposals for a Third Article theology will find a comprehensive map here **Theology from the Great Tradition** Steven D. Cone, 2018-02-22 This textbook provides complete and comprehensive coverage of the theological tradition of Aquinas Maximus Luther Irenaeus Lonergan von Balthasar Schmemmann Meyendorff and Barth Each section of this textbook explores a wide variety of questions who are we Is there a God and if so what is his nature Who is Jesus What does it mean that we live both in sin and righteousness It consists of 15 modules that are comprised of 46 chapters Each module has two parts there are systematic chapters that discuss and explain each module s topic and the final chapter of each module examines 4 to 6 primary sources that are important for each topic This textbook includes an extensive range of pedagogical features Sample tests in which each objective question has been quality tested by classroom use with a discrimination index A discussion guide for each chapter Learning objectives linked to each chapter The text includes bold faced terms boxed text sections that identify central figures and points of debate study question chapter summaries glossary **The Authority of the Septuagint** William A. Ross, Gregory R. Lanier, 2025-10-30 Does the Septuagint have authority for the church today Numerous scholars have explored what the Septuagint is and its history and uses but less scholarship has engaged with the ways it exercises authority within the

Christian tradition In the first multicontributor volume of its kind biblical scholars Greg Lanier and Will Ross bring together experts from a variety of disciplines to explore the nature of the Septuagint's authority over the ages Discover fresh insights from experts across disciplines including Old Testament New Testament patristics systematic theology historical theology and more into whether and how the Septuagint holds authority for today's church With clarity and depth this helpful addition to Septuagint studies will expand the conversation of how Christians should understand the Septuagint both in the academy and in the church This book seeks To explore the authority question from multiple perspectives To examine how the early church Reformers and systematic Protestant and Catholic theologians view the Septuagint To disentangle the NT's frequent use of the Septuagint from its perceived status as authoritative or canonical Whether you're a scholar theologian pastor or seminary student The Authority of the Septuagint is an invitation to engage with the Septuagint its history and its significance for the church today Hermeneutics at the Crossroads Kevin J. Vanhoozer, James K. A. Smith, Bruce Ellis Benson, 2006-06-15 In this multi-faceted volume Christian and other religiously committed theorists find themselves at an uneasy point in history between premodernity modernity and postmodernity where disciplines and methods cultural and linguistic traditions and religious commitments tangle and cross Here leading theorists explore the state of the art of the contemporary hermeneutical terrain As they address the work of Gadamer Ricoeur and Derrida the essays collected in this wide-ranging work engage key themes in philosophical hermeneutics hermeneutics and religion hermeneutics and the other arts hermeneutics and literature and hermeneutics and ethics Readers will find lively exchanges and reflections that meet the intellectual and philosophical challenges posed by hermeneutics at the crossroads Contributors are Bruce Ellis Benson Christina Bieber Lake John D. Caputo Eduardo J. Echeverria Benne Faber Norman Lillegard Roger Lundin Brian McCrea James K. A. Smith Michael VanderWeele Kevin Vanhoozer and Nicholas Wolterstorff **The Cambridge Companion to Evangelical Theology** Timothy Larsen, Daniel J. Treier, 2007-04-12 Evangelicalism a vibrant and growing expression of historic Christian orthodoxy is already one of the largest and most geographically diverse global religious movements This Companion first published in 2007 offers an articulation of evangelical theology that is both faithful to historic evangelical convictions and in dialogue with contemporary intellectual contexts and concerns In addition to original and creative essays on central Christian doctrines such as Christ the Trinity and Justification it breaks new ground by offering evangelical reflections on issues such as gender race culture and world religions This volume also moves beyond the confines of Anglo-American perspectives to offer separate essays exploring evangelical theology in African Asian and Latin American contexts The contributors to this volume form an unrivalled list of many of today's most eminent evangelical theologians and important emerging voices *The Spirit of Truth* Myk Habets, 2010-03-01 Among the theological loci pneumatology is one of the most stimulating exciting and difficult topics to study it is also one of the most rewarding The identity and mission of the Holy Spirit is pervasive throughout Scripture and the Great Tradition and within contemporary Christianity it is one of the

most popular topics currently being explored Here ten scholars present twelve essays spanning biblical hermeneutical theological and practical disciplines The result is not an evangelical pneumatology in systematic fashion nor is it a comprehensive theology of the Holy Spirit Rather this volume presents explorations in pneumatology from a variety of evangelical scholars working in varying contexts mostly the South Pacific basin but each wrestling equally with what the Spirit of Truth is saying to the churches today This is a work of outstanding scholarship with essays by Canadian theologian Gary Badcock and a cast of established and emerging Kiwi or New Zealand theologians which gives the work a unique contextual flavor alongside its ecumenical and evangelical commitment Carl F. H. Henry on the Holy Spirit Jesse M. Payne, 2021-07-07 Recover evangelicalism's foundations by returning to its architect None doubt the influence of Carl F H Henry the theological architect of contemporary evangelicalism Through his prolific writing and editorial role in Christianity Today Henry is known for addressing contemporary theology individual and social ethics and cultural criticism But he has been critiqued for an underdeveloped pneumatology In *Carl F H Henry on The Holy Spirit* Jesse M Payne argues that Henry cannot truly be understood apart from his mature pneumatology The Spirit plays a vital role in three major areas of Henry's theology revelation ecclesiology and ethics These seemingly disparate topics are tied together by his view of a Spirit inspired Bible ordering a Spirit enlivened body composed of Spirit filled believers Readers will gain a more holistic view of Henry the role of the Spirit in his life and thought and early neo evangelical theology **Hearing and Doing the Word** Daniel J. Treier, Douglas A. Sweeney, 2021-07-29 This collection of essays honours Kevin J Vanhoozer by representing the current state of evangelical hermeneutics in light of his work The volume consists of three parts The Biblical Script Great Performances and Theodrama Today Each part contains wide ranging contributions from well known scholars who address important topics for contemporary hermeneutics in dialogue with Vanhoozer's influential work Kevin J Vanhoozer is today's leading evangelical theologian of biblical interpretation He is one of the most influential voices in contemporary hermeneutics and in academic theology he is one of his generation's most influential evangelicals *Justification as the Speech of the Spirit* Jeffrey K. Anderson, 2021-08-10 In the past few decades there have been an increasing number of authors and movements that reject the classic Protestant understanding of justification e g the New Perspective on Paul Auburn Avenue Theology the Renewal Movement etc While the various proposals differ in many respects they are generally united in their rejection of justification as a legal declaration made by the Father about the believer based on the work of the Son In particular among renewal Pentecostal Charismatic authors there have been several attempts to redefine justification insisting that it is an umbrella term incorporating numerous redemptive ideas rather than a declaration of the believer's righteousness These attempts are in part rooted in the absence of any overt pneumatology in the doctrine's typical formulation One need only read the above sentences to see that there is no mention of the Holy Spirit This book addresses these and other concerns especially by renewal authors and demonstrate that the doctrine is in fact pneumatologically informed albeit latently rather

than blatantly As a result there is no need to redefine the theology of the Reformers and their successors
