Imagine growing up in a small Southern town surrounded by sugarcane fields snakes alligator infested canals and palm trees Imagine growing up in a city where most people struggle financially where the nearest grocery store is five miles away where there is no hospital where there is only one traffic light and where most people know one another Can you imagine growing up in a family that has many secrets that could either destroy family ties or create bonds that could last a lifetime Welcome to Latangela Coleman Crossfield s family secrets incest murder and lies It was once easy for Latangela to conclude that she was the culprit of her demise After all her mother often told her that she would not amount to a hill of beans that she was nothing and that she would never be anything She sometimes believes these perceptions yet struggles to conceive them as reality Latangela toils with succumbing to the harshness of her circumstances Perhaps it could be that she was once a great pretender pretending as if being raped molested and physically and verbally abused by a neighbor her uncle her babysitter and her mother had in no way influenced the choices that she made Latangela sometimes jolts and cringes as she recalls experiencing uninvited fondling kisses rape electric cord beatings abortion the murder of her stepfather homelessness and so much more Indeed the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities Unforgiveness is her psychological prison cell It is in this cell that Latangela allows herself to succumb to the pain and agony of her past Latangela s life changes when she has a supernatural encounter with Jesus Christ She realizes that forgiveness is the key to victory She learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships In doing so the emotional prison cell that once held her captive ceases to exist Through prayer and supplication God gives her the wisdom knowledge and grace to separate agape love for her mother and her abusers from their indiscretions Latangela s life experiences do not prevent her from becoming an educator an author a minister a media personality an actress and a serial entrepreneur She plans to one day travel the globe to share how she was crushed but not defeated 0 **A House in the Sky** Amanda Lindhout,Sara Corbett,2013-09-03 The spectacularly dramatic memoir of a woman whose curiosity about the world led her from rural Canada to imperiled and dangerous countries on every continent and then into fifteen months of harrowing captivity in Somalia a story of courage resilience and extraordinary grace The dramatic and redemptive memoir of a woman whose curiosity led her to the world s most beautiful and remote places its most imperiled and perilous countries and then into fifteen months of harrowing captivity an exquisitely written story of courage resilience and grace As a child Amanda Lindhout escaped a violent

household by paging through issues of National Geographic and imagining herself in its exotic locales At the age of nineteen working as a cocktail waitress in Calgary Alberta she began saving her tips so she could travel the globe Aspiring to understand the world and live a significant life she backpacked through Latin America Laos Bangladesh and India and emboldened by each adventure went on to Sudan Syria and Pakistan In war ridden Afghanistan and Iraq she carved out a fledgling career as a television reporter And then in August 2008 she traveled to Somalia the most dangerous place on earth On her fourth day she was abducted by a group of masked men along a dusty road Held hostage for 460 days Amanda converts to Islam as a survival tactic receives wife lessons from one of her captors and risks a daring escape Moved between a series of abandoned houses in the desert she survives on memory every lush detail of the world she experienced in her life before captivity and on strategy fortitude and hope When she is most desperate she visits a house in the sky high above the woman kept in chains in the dark being tortured Vivid and suspenseful as artfully written as the finest novel *A House in the Sky* is the searingly intimate story of an intrepid young woman and her search for compassion in the face of unimaginable adversity
