**Life, Some Assembly Required** Kaje Harper, 2015-06-09 Finding love in the ashes was easy. Building a life together. Not so much. After spending the first part of his life chasing pretty girls, love has finally come to Ryan in the form of John, a tall, lanky, red-headed landscape architect with wide shoulders and a five o'clock shadow. For the first time in Ryan's life, love feels easy. Hell, he even ran into a burning building for John and his son, and he'd do it again if he had to. But telling his father and brothers and classmates, "I'm gay," I've met a man that's going to take nerve of a different kind. For John, loving Ryan is as natural as breathing. Now, if only the rest of his life would fall into place. Dealing with his teen son is complicated enough, but with his ex-wife causing trouble and his daughter wanting to move in, John's house and his relationship with Ryan threaten to split at the seams. Is one month without a new surprise knocking him upside the heart really too much to ask? Unfortunately, the answer seems to be Yes. This is a re-release of the 2015 Samhain novel with only minor editing.

**Building Forever** Kaje Harper, Four years ago Ryan and John decided they'd wait to get married until it came with full legal equality. Now, thanks to the Supreme Court, that historic moment has finally arrived. But three hundred miles separate Ryan's hectic residency from John's busy campus job. With a son in college, a daughter choosing her future, and a rambunctious Irish Setter needing attention, planning a wedding isn't simple. Of course, even the most perfect ceremony can't solve all their problems. What does it take to build forever?
