Homeschooling with a Meek and Quiet Spirit Teri Maxwell, 2001 *Homeschooling for the Rest of Us* Sonya Haskins, 2010-01-01 Homeschooling parents are under great pressure Besides trying to balance teaching responsibilities and family life they often face unrealistic expectations from relatives churches other homeschoolers and society at large Even parents considering homeschooling sense the need to be perfect Sonya Haskins doesn't want any more families to give up on homeschooling In this book she shares affirming stories and practical ideas from dozens of everyday families who successfully deal with cluttered schedules academic struggles sibling squabbles and other real life issues Instead of learning a one size fits all approach readers will discover how to evaluate their own family's strengths and weaknesses and set their own goals for success **Easy Homeschooling Companion** Lorraine Curry, 2004 More easy tips along with encouragement and Biblical parenting suggestions **KJV, Homeschool Mom's Bible** Zondervan, 2013-08-22 Heartfelt Inspiration to Revive Encourage and Strengthen the Homeschooling Mom If you're on an airplane you're instructed in the event of a loss of cabin pressure to put on your own oxygen mask before helping your child The reason If you don't have a supply of oxygen you won't be able to help anyone else The same is true for the rest of life you can't give what you don't have And as a homeschooling mom you pour yourself out every day for the sake of your children Yet how do you fill yourself up Where do you get your spiritual oxygen Now you can be filled and restored by the original Bible for homeschool moms with a full year's worth of encouraging daily devotions placed alongside the beloved text of the King James Bible These heartfelt practical readings written by Janet Tatman a former homeschooling mom cover topics such as finding strength to keep motivated avoiding burnout staying focused and committed navigating the needs of toddlers while educating siblings managing schedules delegating tasks and chores setting boundaries and most importantly maintaining proper soul care while juggling educational and household responsibilities The words of these devotions will breathe life into your soul so that you can successfully run the race Features 365 daily meditations with prayers written by Janet Tatman a veteran homeschooling mother with more than 25 years of experience homeschooling The full text of the classic King James Version KJV Bible Foreword from Vickie Farris author homeschool mom and wife of Michael Farris founder of the Homeschool Legal Defense Association Topical index **Just Around the Corner** Steven Maxwell, 2001 These articles were originally written to encourage and support their local homeschool groups However they have been so well received that they are now requested via e-mail every month by thousands of homeschool families Because most of these articles deal with family life in general many Christian non homeschool families find them useful as well Topics addressed include anger depression child training submission and husbands loving their wives Page 4 of cover **Religion's Cell** Cynthia McClaskey, 2012-03-13 Religion's Cell by Cynthia McClaskey is a masterful exploration of the ways in which organized religion has through the centuries systematically denied woman her proper role in the church and the world Beginning with a firsthand account of her own

subjugation within a fundamentalist sect McClaskey moves forward with detailed and extensively referenced explanations of the God intended role of woman Along the way she provides explanations of how man in seeking to retain power and authority in both religion and the world has relegated woman to a subservient position in both areas in violation of God s intended plan McClaskey s evidence is compelling and her logic flawless as she argues against the God as stern judge mentality that permeates most modern religious sects and emphasizes the true nature of God as a loving father a father who wants only the best for both genders of His crowning creation She points out that Christ surrounded himself with women and that women played major roles in the early years of Christianity providing copious scriptural support for her position In Religion s Cell McClaskey has issued a clarion call for true gender equality both inside and outside organized religion This is a book women will want to read and men should be required to read **From Patriarchs to Prophets** David I.

Wright,2011-11 Are you looking for a new way to experience your Bible Then this book is for you From Patriarchs to Prophets presents a classic rendering of the great stories of the Old Testament expressed through poetry These delightful poems are sure to help you capture and experience the Bible in a captivating and easy to understand way Whether read alone or in correlation with devotional or Sunday school materials From Patriarchs to Prophets delivers stunning spiritual insights and sound scriptural guidance while remaining engaging and easy to read It is a must have for any poetry collection
