Homicide A Psychiatric Perspective

Patrick Lussier, Eric Beauregard

Homicide A Psychiatric Perspective:

Homicide Carl P. Malmquist, 1996 *Homicide A Psychiatric Perspective* is a reference book for professionals dealing with violence murder and suicide and for others concerned about the level of homicidal violence in American society Homicide is routinely discussed from statistical cultural or sociological perspectives with the main emphasis given to the frequency of people being killed This book rooted in clinical psychiatry considers those who do the killing Discussions of different diagnoses are used to illustrate how clinical psychiatric conditions have their own special vulnerabilities for violence Problems of epidemiology a discussion of the problems of prediction and the legal system s differing goals are also included The author a psychiatric consultant for the District Court of Minneapolis personally evaluated over 500 people who have committed a homicide

Homicide American Psychiatric Association, Malmquist, Brian Kidd, 1995 *Homicide* Carl P. Malmquist, 2007-04-02 Most professional books on the subject of homicide convey a criminological or legal standpoint *Homicide A Psychiatric Perspective* complements those approaches by offering a clinical understanding unique in the literature considering not merely the crime but the broad spectrum of homicidal behavior Combining psychiatric knowledge of that behavior with actual case material this work provides a single expert point of view synthesizing current literature while maintaining a focused perspective that not only reviews the macroscopic findings of descriptive nosology but also places the individual murderer under the microscope This new edition considers aspects of homicidal behavior in American society that were not prominent a decade ago as evidenced by such phenomena as the Columbine killings and public fascination with *The Sopranos* Dr Malmquist draws on his extensive background in forensic psychiatry and consultancy experience in hundreds of murder cases blending medical biological psychological and social factors to forge a psychiatric understanding of homicide in the twenty first century He provides insight into such key concerns as epidemiology the ongoing difficulty of predicting homicidal behavior in psychotic individuals and the contrasting viewpoints of psychiatry and the legal system and he describes how various clinical psychiatric conditions such as narcissism and depression have their own special vulnerabilities for homicidal violence The book uses DSM IV TR as a diagnostic framework and adds a psychodynamic component for appropriate cases offering a broad overview of homicide today Cases are drawn from evaluated homicidal individuals not simply generic examples and reflect homicides that involve a legal conviction a confession or clinical material beyond media reportage New to this edition are insights into recent homicide trends such as sexual and serial murders school killings homicide among preadolescents stalking murder by health care personnel and close combat killings in the military Statistical data on epidemiology have been updated recent cases have been added and the latest legal decisions are discussed all making this book as timely as it is authoritative *Homicide A Psychiatric Perspective* is an essential reference for mental health professionals as well as attorneys correctional officers or social workers engaged in criminal law With its keys to evaluating patients or defendants who have engaged in serious acts of violence it offers

unprecedented clinical insights into the homicidal mind The Cambridge Handbook of Forensic Psychology Jennifer M. Brown, Elizabeth A. Campbell, 2010-04-29 Forensic psychology has developed and extended from an original narrow focus on presenting evidence to the courts to a wider application across the whole span of civil and criminal justice which includes dealing with suspects offenders victims witnesses defendants litigants and justice professionals This Handbook provides an encyclopedic style source regarding the major concerns in forensic psychology It is an invaluable reference text for practitioners within community special hospital secure unit prison probation and law enforcement forensic settings as well as being appropriate for trainees and students in these areas It will also serve as a companion text for lawyers and psychiatric and law enforcement professionals who wish to be apprised of forensic psychology coverage Each entry provides a succinct outline of the topic describes current thinking identifies relevant consensual or contested aspects and alternative positions Readers are presented with key issues and directed towards specialized sources for further reference *The Oxford Handbook of Evolutionary Perspectives on Violence, Homicide, and War* Todd K. Shackelford, Viviana A. Weekes-Shackelford, 2012-08-23 This volume synthesizes the theoretical and empirical work of leading scholars in the evolutionary sciences to produce an extensive and authoritative review of this literature The Oxford Handbook of Sex Offences and Sex Offenders Teela Sanders, 2017 The Oxford Handbook on Sex Offenses and Sex Offenders provides comprehensive even handed analysis of the myriad of topics related to sex offenses including pornography sex trafficking criminal justice responses and the role of social media in sex crimes Extending beyond the existing scholarly research on the topic this volume teases out the key debates controversies and challenges involved in addressing sex crimes **Routledge International Handbook of Sexual Homicide Studies** Jean Proulx, Eric Beauregard, Adam Carter, Andreas Mokros, Rajan Darjee, Jonathan James, 2018-04-17 This book provides the first systematic overview of the theoretical empirical clinical and police issues related to sexual murderers and murder Bringing together leading researchers theoreticians and practitioners from across eight different countries this is a truly international collaboration and an essential reference text for students researchers and professionals interested in sexual homicide as well as an exhaustive source of guidelines for the assessment and treatment of sexual murderers This book is divided into five parts Part I Theories and research presents a detailed review of theoretical models and empirical studies of sexual homicide Part II Sexual sadism discusses theoretical empirical and clinical considerations and reviews the literature on the characteristics of sadistic sexual aggressors Part III Clinical issues discusses the assessment and management of sexual murderers at each phase of the judicial process at trial during incarceration and during follow up in the community Part IV Policing issues discusses research and practical issues related to police activities surrounding a sexual murder Topics include investigation offender and geographical profiling behavioural linkage and police interrogation of the murderers Part V New directions presents new directions for the study of sexual homicide and discusses the limits of current knowledge related to sexual murderers and their crimes Offering a broad and

comprehensive approach this Handbook is an indispensable source of information on theory research clinical assessment treatment and police issues related to sexual murderers and murder *The Sexual Murderer* Eric Beauregard, Melissa Martineau, 2016-10-04 Sexual homicide continues to be one of the most widely reported and sensationalised forms of murder attracting fascination from the public and scholars alike Despite this continued interest few empirical studies have been conducted on this particular form of sexual crime *The Sexual Murderer* provides an analytical review of the state of knowledge on the sexual murderer and his offense and presents new data that confronts some of the accepted ideas and myths surrounding this type of homicide The authors draw on original data stemming from both offenders and the police to present an exhaustive and accurate picture of the sexual murderer and his offense and compare the sex offenders who do kill with sex offenders who despite being very violent do not Each chapter includes a section on the practical implications of the findings and what the findings mean for professionals working with these cases and for the criminal justice system This book explores themes including the role of fantasies paraphilias and personality criminal career context of the crime journey to murder modus operandi and crime scene sex trade workers avoiding detection body disposal pathways and whether we can predict sexual homicide occurrence This book is a comprehensive resource for academic and professionals involved in sexual homicide cases such as psychologists psychiatrists investigators and profilers as well as individuals working in the field of sexual violence This book will also be of interest to students taking courses on homicide sexual homicide and serial homicide

Psychiatry in Law / Law in Psychiatry, Second Edition Ralph Slovenko, 2009-03-03 *Psychiatry in Law Law in Psychiatry* 2nd Edition is a sweeping up to date examination of the infiltration of psychiatry into law and the growing intervention of law into psychiatry Unmatched in breadth and coverage and thoroughly updated from the first edition this comprehensive text and reference is an essential resource for psychiatry residents law students and practitioners alike

The Psychological Autopsy Antoon Leenaars, 2017-02-10 This remarkable book affords the opportunity to delve into the challenges that the forensic mental health specialist and public safety professional confront in death scene investigations

Sexual Offending Patrick Lussier, Eric Beauregard, 2018-04-17 There is growing recognition that sexual offending is a multi determined phenomenon requiring a multi disciplinary perspective The significant contribution of psychology and psychiatry but also sociology gender studies and anthropology to the study of sex offending and perpetrators of sex offenses has played a key role in the development of a distinct field of research In recent years however there has been an increase in criminological research on the topic introducing criminological theory and concepts scientific evidence and observations and new methodologies to the field This book brings together international leading scholars to consider key topics on sex offending and where possible compare and contrast criminological viewpoints with those of other disciplines such as psychology and psychiatry This book considers the following questions Are the key explanatory factors of sex offenses completely distinct and different from those of non sex crime and delinquency Are current models explaining adult sex

offending also applicable to explain sex crimes on college campuses female sex offending sexual exploitation sexual homicide or child luring over the internet Are today s youth involved in sex offenses tomorrow s adult perpetrators of sex crimes What is the risk of sexual recidivism and are risk assessment tools effective to identify individuals at risk of committing another sex crime in the future Are current legal measures used to prevent sex crimes effective What are the known effects of such measures What are the issues and challenges related to the criminal investigation of sex offenses This book is essential reading for students and researchers from disciplines such as criminology psychiatry psychology sexology social work and sociology as well as criminal justice professionals and practitioners such as police investigators prosecutors judges probation parole officers and treatment providers counsellors involved with individuals having perpetrated sex offenses

Homicide
Bal K. Jerath, Rajinder Jerath, Vandna K. Jerath, 2001 It is an indispensable tool for scholars interested in homicide and related issues such as capital punishment David Lester Ph D Professor of Psychology Richard Stockton College of New Jersey It is the most complete compendium of homicide research I have ever seen J Reid Meloy Ph D Assoc Clinical Professor of Psychiatry University of California San Diego This book is a very worthwhile one to have for anyone who is seriously interested in learning more about the field of homicide Kathleen M Heide Ph D University of South Florida Tampa Professor of Criminology should be of particular interest to colleges and universities with studies in this respect of the social psychological criminal and health sciences Lyn Dennison M L AHIP Assistant Director for Library Operations Greenblatt Library Medical College of Georgia a peerless compendium of the latest research on homicide I recommend this work to anyone who is involved in study of homicide Wade C Meyers M D Associate Professor and Chief Division of Forensic Psychiatry Departments of Psychiatry University of Florida acquisition of this remarkable reference is highly recommended to schools colleges and public libraries Docteur Michel Benezech Chef de Service Ancien Professeur Associe en Medecine Legal Professeur Associe de Droit Prive a l Universite de Bordeau IV Homicide A Bibliography is a valuable book for everyone involved with teaching and research in the field of forensic sciences Niuvanniemen Sairaala Department of Forensic Psychiatry University of Kuopia Niuvanniemen Hospital FIN 70240 Kuopia Finland

Sexual Murder Louis B. Schlesinger, 2021-03-22 Sexual Murder Catathymic and Compulsive Homicides is the culmination of the author s 45 years of experience with and studying sexually motivated homicide Sexual murders are generally of two types catathymic and compulsive Catathymic homicides are caused by a breakthrough of underlying sexual conflicts They can be unplanned explosive acute attacks or planned murders stemming from a chronic obsession with or disturbed attachment to the victim In compulsive homicides a fusion of sex and aggression results in a powerful internal drive which pushes the offender to seek out victims to kill and the killing itself is sexually gratifying These murders also may be planned or unplanned In compulsive homicides that are unplanned the urge breaks through and disrupts the offender s controls when a victim of opportunity crosses his path The compulsive offender who plans his crimes often eludes law enforcement and as a result he can have

multiple serial victims over extended periods of time Both forms of sexual murder the catathymic and the compulsive are presented in this volume from a clinical descriptive perspective encompassing case studies with analysis Recent advances in empirical research in sexual murder including findings from the joint research project between John Jay College of Criminal Justice and the FBI Behavioral Analysis Unit in Quantico has published many important studies These include such topics as necrophilia foreign object insertions in sexual homicide ritual and signature and temporal patterns in serial sexual homicide mass murder crime scene staging in homicide and undoing symbolic reversal at homicide scenes All such research will be included and incorporate into this fully updated Second Edition including approximately fifty new clinical case studies

Neurobiopsychosocial Perspectives on Aggression and Violence József Haller, 2020-09-10 This book bridges the gap between basic science which deals with general concepts of aggression and its neurobiological foundations and law enforcement as one of the applied fields of aggression research It addresses the current state of research and practice and compares and integrates the concept of aggression with violent crime Chapters examine the types of criminal careers that cross the boundary between the two and summarize the biological psychological and social factors that underlie particular types of criminal careers Subsequent chapters discuss overlaps between biological and psychological factors and detail how and to what extent aggression may serve as explanatory mechanisms for violence The book also discusses the relationship between social problems and neuropsychological deficits addressing how the neuropsychological deficits lead to the intergenerational recycling of social problems Finally the volume explores violence and aggression from a neurobiological perspective Topics featured in this book include The heritability of aggressiveness and violence proneness Glucocorticoids in humans Aggression circuitry in animals Distorted circuitry in violent animals Biological factors of psychological change Neurobiopsychosocial Perspectives on Aggression and Violence is a must have resource for researchers clinicians and other professionals and graduate students in forensic psychology criminology criminal justice public health developmental psychology psychotherapy counseling psychiatry social work educational policy and politics health psychology nursing and behavioral therapy rehabilitation

Reviewing Crime Psychology David Canter, Donna Youngs, 2020-12-17 The recent explosion of research and practice relating to offending and the related investigative and legal processes makes it extremely difficult for anyone to master these emerging areas of research This book will help readers to navigate through this rapidly expanding area of scholarship and practice by bringing together a number of recent reviews on key topics by leading experts in the field Contributions to the volume discuss developments in the study of interviewing and the detection of deception together with explorations of victims and offenders The psychological background and consequences of school bullying child sexual abuse and male rape are also explored as are the challenges of collecting information about crimes as varied as burglary and serial killing This book will be a valuable resource for criminologists crime and forensic psychologists students of socio legal processes and all those involved in legal and investigative activities The chapters in this book were originally

published as review articles in Crime Psychology Review

Serial Murder and the Psychology of Violent Crimes

Richard N. Kocsis, 2008-01-08 This book brings together an international collection of research literature on the topics of criminal profiling and serial violent crime by integrating the respected insights of both scholars and practitioners from around the globe It explains etiological factors and psychological mechanisms to reveal criminal motives

Violence in the Barrios of Caracas

Daniel S. Leon, 2019-07-02 This book presents an overview of the problem of urban violence in Caracas and specifically in its barrios It helps situate readers familiar or not with Latin American in the context that is Caracas Venezuela a city displaying one of the world's highest homicide rates The book offers a qualitative comparison of the informal mechanisms of social control in three barrios of Caracas This comprehensive analysis can help explain high homicide rates while socio economic conditions improved due to substantial oil windfalls in the twenty first century The author describes why informal social control was not effective in some barrios and points to the role of some organizational arrangements in increasing the incentives to use violence even under improving socio economic conditions The analysis addresses a gap in the literature on violence which mainly posits high violence rates after economic downturns Specifically it investigates social capital's moderating effect between Caracas political and economic structures and high violence rates This book concludes that perverse social capital found in the barrios of Caracas helps explain high violence rates while socio economic indicators improved until the early 2010s Students and researchers interested in security studies or Latin America will benefit from this book because of its extensive theoretical discussions use of primary sources and unique multidisciplinary analysis of urban violence

Children Who Murder

Robert V. Heckel, David M. Shumaker, 2001-02-28 Due to the extensive changes in family structure such as the increase of single parent families a high divorce rate and the decline of the extended family support systems for young children are in decline This decline disrupts the support systems ability to shape children's prosocial values Because of the fear of lawsuits and limited financial resources community services and schools no longer provide the framework needed to balance changes in the contemporary family structure This book provides insight into voids that have created social skills affecting this young population using an integrative approach to examine the casual factors of violent behavior in preteens It offers suggestions for alleviating some of the causative factors that have created this nationwide problem Changes in family structure the role of the community the educational philosophy of schools and the juvenile justice system are discussed as examples of casual factors of violent behavior in preteens This timely book uses an integrative approach to examine these factors as well as to discuss the changes in the juvenile justice system in terms of punishment treatment and rehabilitation A direct response to current events such as the Columbine shooting and recent elementary school shootings IChildren Who Murder R will be of interest to practitioners educators guidance and educational counselors lawyers and parents

Mental Health Homicide and Society

David P Horton, 2019-09-19 A homicide committed by a mentally disordered person who is under the care of health service professionals is a shocking event Otherwise known as a

patient homicide these incidents are followed by an investigation into the care and treatment received by the perpetrator. These investigations are often regarded as a way to learn lessons, establish accountability, and provide catharsis to families and the public. The book argues, however, that patient homicide events and the circumstances in which they occur are communicated about within closed systems of life, e.g., law, medicine. These systems operate according to unique internal logics. The communications produced by these systems nevertheless resonate in society and enable a diverse and complex space of governance to emerge, a space of governance in which universal understandings about patient homicides, health care, public safety, and risk are unachievable. The Scottish Government initiated reform of their patient homicide investigation procedures in 2017, and plans to reform patient homicide investigations in England are slowly germinating. This original and compelling book is therefore a timely and important contribution. It concludes that health policy makers should re-evaluate their normative commitments to patient homicide risk reduction in a world of disharmony, objection, and resistance.

Women in Psychiatry 2021: Forensic Psychiatry Katarina Howner, Birgit Angela Völm, Hedvig Krona, 2022-11-15

Homicide A Psychiatric Perspective: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Homicide A Psychiatric Perspective : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Homicide A Psychiatric Perspective : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Homicide A Psychiatric Perspective full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Homicide A Psychiatric Perspective eBooks, including some popular titles.

FAQs About Homicide A Psychiatric Perspective Books

What is a Homicide A Psychiatric Perspective PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Homicide A Psychiatric Perspective PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Homicide A Psychiatric Perspective PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Homicide A Psychiatric Perspective PDF to another file**

format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Homicide A Psychiatric Perspective PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
