Homosexuality And The Catholic Church:

“Who Am I to Judge?” Stephan Goertz, 2021-11-08 The Catholic Church still takes an ambivalent stance toward homosexuality declaring that homosexuals should be respected and not discriminated against while morally condemning their intimate relationships This volume presents exegetical theological and ethical arguments as well as evidence from the human sciences to advocate for the recognition of homosexuality as a natural variant of the human capacities to love and to form relationships

Accompanying those with Same-sex Attractions David Prosen, 2019-02-19 Author David Prosen speaks generously and with wisdom out of his own experience of same sex attractions without love all the rules and commandments in the world fall flat It is not for us to fix or change the person with same sex attractions our place is simply to love them Just like anyone else people with same sex attractions first need to hear that their heavenly Father cares for them Prosen reminds us of the power of affirming love in our own experience When someone takes the time to just be with us and tells us the truth in a compassionate way we are more likely to receive it Each of us then as spiritual mothers and fathers may be a vehicle for Christ's affirming love shining in the loneliness of same sex attractions Suzanne Baars PhD Catholic psychotherapist and founder of the Baars Institute David Prosen has written a powerful booklet that I wish every Catholic adult would read With incredible authenticity and transparency he takes the reader into the interior reality so often marked by wounds and pain of those who experience same sex attraction Yet he also points the way to hope and healing in Christ and the ways the Body of Christ can be a source of healing This book will change the way you see the world Dr John Bergsma PhD Catholic Bible scholar author speaker With compassion and honesty David Prosen reveals an empowering vision for sharing the liberating love of Jesus Christ with men and women trapped in the culture's false messaging and still longing for authentic love Lisa Mladinich host of Shalom World TV's WOMAN Strong Faith True Beauty About the Author David Prosen is a graduate of Franciscan University of Steubenville with an MA in counseling He has worked as a counselor in both secular and Catholic settings treating many different conditions including depression anxiety and more David was featured in Blackstone's film *The Third Way Homosexuality and the Catholic Church* and has had several articles published in Lay Witness Crisis Magazine and LifeSiteNews He has given numerous presentations across the country on same sex attractions from a Catholic perspective

Hidden Voices Anonymous, 2011-12-30 I've written this book to give voice to the thousands of hidden voices in the Catholic Church that feel the way I do and to give hope albeit just a little to those who struggle with the Catholic Church's stance on homosexuality What follows are some of my reflections on what it means to negotiate life as a gay priest in the Catholic Church to struggle with self and hierarchy and to move from silence and shame to hope and forgiveness Signed Anonymous

Letter to the Bishops of the Catholic Church on the Pastoral Care of Homosexual Persons Catholic Church. Congregatio pro Doctrina Fidei,1986-01-01 Homosexuality and the Magisterium

John Gallagher,1986 Pastoral statements mostly positive from Catholic leaders **The Gay Face of God** Bruce Simpson,Bruce J. Simpson,2004-04 The Gay community has triggered the greatest social debate in American history since the Civil Rights movement of the 1960's Not only has gay marriage seized the total attention of the American conservative movement but also the medieval and border line hysterical consciousness of the Roman Catholic Church as well as other churches worldwide This is the story of a man born of an act of violence who grew up as a gay man to become an Archbishop

in the Old Catholic Church in America Archbishop Bruce J Simpson's theology and beliefs on the subject of the GLBT community and its place in the world and in particular in the Church flies in the face of most traditions and governmental positions. These positions and beliefs have been formed out of his unique experiences growing up in the military police departments, brief connection with the Saudi Royal family, federal Government and the Roman Catholic Church. His story both saddens one at the trials faced in his youth to joy at his many successes as an adult gay man in America. LGBTQI Inclusivity, Homosexuality, and Same-Sex Marriage in the Catholic Church Vivencio O Ballano, 2024-08-19. This book employs an experimental approach to critically re-examine the Catholic Church's traditional teachings on homosexuality, heterosexual marriage and Lesbian, Gay, Bisexual, Transgender, Queer and Intersexual LGBTQI inclusivity in light of Pope Francis's inductive synodal theology and modern sociology. With the growing complexity of today's culture and the advancement of social science research, it argues that the empirical foundations of the traditional Church's doctrines on topical moral issues need to be scientifically re-assessed so as to update them in view of Francis's synodality and sociological research on gender, sexuality and same-sex union. Discussion pertaining to whether homosexuality is naturally disordered and whether heterosexuality is the only criterion for Christian marriage remain lingering empirical issues in the Church that require a sociological and inductive synodal analysis rather than the traditional deductive philosophical and theological method that is largely based on natural law theory. This topical book is of appeal to scholars and students of sociology, theology as well as religious, biblical and gender studies. **Chosen** Elizabeth Stuart, 1993. There have always been gay priests in the Church but attitude to them and understanding of their situation have varied over the centuries. This book will move many readers and scandalize others. In it British Roman Catholic priests and seminarians who also happen to be homosexual share thoughts, feelings and experiences about being a gay man in a Church which condemns homosexuality as disordered. We learn about their attitudes to their sexuality and Church teaching, their struggles with celibacy and how they survived their time at seminary and how they integrate their sexuality and their vocation. The stories told under altered names to ensure that the men will be safe from reproach cry out for the Catholic Church to face up to the reality of the lives and ministry of gay priests. The book offers guidelines for the training and pastoral care needed by such men in the future to help them continue to function as healthy and effective priests. Page 4 of cover. *Building Bridges* Robert Nugent, Jeannine Gramick, 1992. Explores the history of the church's stance on homosexuality and examines new approaches to pastoral care. An objective and sensitive exploration into the situation of gays and lesbians in the Catholic church today.
