**The changing face of ESP in today's classroom and workplace** Nalan Kenny, Ángeles Escobar Alvarez, 2020-09-01  
Despite the growth and development of English for Specific Purposes (ESP) as an area of study since the 1960s, few books related to classroom applications in combination with other disciplines such as Content and Language Integrated Learning (CLIL), English Language Teaching (ELT) or English as a Medium of Instruction (EMI) exist. Each section of this volume includes scholarly written studies from across the globe indicating the extent and the importance ESP has in the current academic world. Filling the present void in available material on this subject, this book contains various useful and effective applications of ESP teaching activities for classroom settings as well as insights on how ESP can be combined with and adopted by other disciplines. Written from a variety of backgrounds and perspectives, this text is sure to contribute to this field and will be of interest to ESP teachers as well as postgraduate and undergraduate students.
