SuburbiaNation R. Beuka,2016-04-30 The expansion of the suburban environment is a fascinating cultural development In fact the United States is primarily a suburban nation with far more Americans living in the suburbs than in either urban or rural areas Why were suburbs created to begin with How do we define them Are they really the promised land of the American middle class The concept of space and how we create it is a concept that is receiving a great deal of academic attention but no one has looked carefully at the suburban landscape through the lens of fiction and of film

Uncanny Valley Lawrence Weschler, 2011-10-01 Shuttling between cultural comedies and political tragedies Lawrence Weschler's articles have throughout his long career intrigued readers with his unique insight into everything he examines from the ordinary to the extraordinary *Uncanny Valley* continues the page turning conversation as Weschler collects the best of his narrative nonfiction from the past fifteen years The title piece surveys the hapless efforts of digital animators to fashion a credible human face the endlessly elusive gold standard of the profession Other highlights include profiles of novelist Mark Salzman as he wrestles with a hilariously harrowing bout of writer's block the legendary film and sound editor Walter Murch as he is forced to revisit his work on *Apocalypse Now* in the context of the more recent Iraqi war film *Jarhead* and the artist Vincent Desiderio as he labors over an epic canvas portraying no less than a dozen sleeping figures With his signature style and endless ability to wonder Weschler proves yet again that the world is strange beautiful and connected *The Globe and Mail* *Uncanny Valley* demonstrates his matchless ability to

analyze the marvels he finds in places and people and offers us a new sublime way of seeing the world

The Persuasion Industries Steven McKeivitt, 2018-08-09 At the end of the twentieth century Britain was a consumer society Commerce intoxicating and addictive had almost entirely colonized modern life People were immersed in and ultimately defined by promotional culture The things they consumed had overtaken class religion geography or occupation as the primary form of self identity and self expression For much of the twentieth century all forms of brand communication from political campaigning to product advertising were based on the theory of rational appeals to rational consumers There was only one problem with this theory it was wrong The Persuasion Industries The Making of Modern Britain examines developments in marketing advertising public relations and branding It explores the role they played in the emergence of the consumer society New ideas from fields of behavioural psychology and economics together with internal developments such as planning positioning and corporate branding allowed persuasion to become the driving force within many commercial enterprises Together these changes led to the emergence of an alternative emotional model of brand communication A simple idea that proved so compelling it changed the world we live in

Education and Its Discontents Mark Moss, 2012 Education and Its Discontents Teaching the Humanities and the Importance of a Liberal Education in the Age of Mass Information by Mark Moss is an exploration of how the traditional educational environment particularly in the post secondary world is changing as a consequence of the influx of new technology Students come to the classroom or lecture hall expecting to have their habits and tastes gleaned from the online world replicated in an Educational environment Faculty who do not adapt face enormous obstacles and faculty that do adapt run the risk of eroding the integrity of what they have been trained to teach Students now have access to myriad of technologies that instead of supplementing the educational process have actually taken it over Issues that run from plagiarism to the erosion of the humanities are now rampant concerns in the post secondary world Behavior issues YouTube videos cell phones and the incessant clicking of the computer keys are just a few of the technologies altering the educational landscape Moss discusses that it is now not only how we learn but what we continue to teach and how that enormously important legacy is protected Education and Its Discontents Teaching the Humanities and the Importance of a Liberal Education in the Age of Mass Information by Mark Moss argues that education has changed and the supremacy of the book and the lecture is now open for debate What has been gained over the last five hundred years is now susceptible to the vagaries of technology which compel us to question their continuing relevance

Immigration and American Popular Culture Rachel Lee Rubin, Jeffrey Melnick, 2007 Immigration and American Popular Culture looks at the relationship between American immigrants and the popular culture industry in the twentieth century Through a series of case studies Rachel Rubin and Jeffrey Melnick uncover how particular trends in popular culture such as portrayals of European immigrants as gangsters in 1930s cinema the zoot suits of the 1940s the influence of Jamaican Americans on rap in the 1970s and cyberpunk and Asian American zines in the 1990s have their roots in the complex socio political nature of
