Complete works of William Shakespeare William Shakespeare,1895 "The" Life of Samuel Johnson, LL. D. James Boswell,1883 **The Inescapable Love of God** Thomas Talbott,2014-11-17 Will the love of God save us all In this book Thomas Talbott seeks to expose the extent to which the Western theological tradition has managed to twist the New Testament message of love forgiveness and hope into a message of fear and guilt According to the New Testament proclamation he argues God s love is both unconditional in its nature and unlimited in its scope hence no one need fear for example that God s love might suddenly turn into loveless hatred at the moment of one s physical death For God s love remains the same yesterday today and forever But neither should one ignore the New Testament theme of divine judgment which Talbott thinks the Western theological tradition has misunderstood entirely He argues in particular that certain patterns of fallacious reasoning which crop up repeatedly in the works of various theologians and Bible scholars have prevented many from appreciating St Paul s explicit teaching that God is merciful to all in the end This second edition of Talbott s classic work is fully revised updated and substantially expanded with new material The Works of William Shakspeare. Life, Glossary,&c. Reprinted from the Early Editions, and Compared with Recent Commentators.
