Some Faces of True Love Carlos Roberto Carvalho,2024-06-24 How many times in life do we attempt to decipher those moments of ecstasy when love happens This overwhelming feeling surrounding us becomes so real that it gives us the illusory sensation of being concrete and palpable We know we have it and we regret it when it disappears but unfortunately we have no way to imprison it We will never tire of the desire not to believe that its manifestation is involuntary However we can consider ourselves fortunate to be eternal hunters endowed with extreme sensitivity to detect its nuances In this book twelve short stories are presented with different engaging scenarios and apparently disconnected from the theme These short stories however do not present novel plots as the title might suggest The main objective of the narratives is to immerse the reader in different and genuine ways in which pure love manifests itself At the end of each chapter the reader is challenged to reflect on whether the feelings involved hidden in a subtle way are some faces of true love Apart from Love Uvi Poznansky,2012-02-15 *Apart from Love* is not your typical love story All consuming heart wrenching and dark it is an epic that starts when Ben returns to meet his father Lenny and his new wife Anita It is then that he discovers a family secret How will they find a path out of conflicts out of isolation from guilt to forgiveness My Own Voice As told by Anita Ten years ago Anita started an affair with Lenny in spite of knowing that he was married and that his wife was succumbing to a mysterious

disease Now married to him and carrying his child how can she compete with Natasha's shadow and with her brilliance in the past Given Anita's lack of education how can she resist his compelling wish to transform her Can she survive his kind of love Faced with the way he writes her as a character in his book how can Anita find a voice of her own And when his estranged son Ben comes back and lives in the same small apartment can she keep the balance between the two men whose desire for her is marred by guilt and blame

The White Piano As told by Ben Coming back to his childhood home after years of absence Ben is unprepared for the secret which is now revealed to him his mother Natasha who used to be a brilliant pianist is losing herself to early onset Alzheimer's which turns the way her mind works into a riddle His father has remarried and his new wife Anita looks remarkably similar to Natasha only much younger In this state of being isolated being apart from love how will Ben react to these marital affairs when it is so tempting to resort to blame and guilt In our family forgiveness is something you pray for something you yearn to receive but so seldom do you give it to others Behind his father's back Ben and Anita find themselves increasingly drawn to each other They take turns using an old tape recorder to express their most intimate thoughts not realizing at first that their voices are being captured by him These tapes with his eloquent speech and her slang reveal the story from two opposite viewpoints Dealing with the challenging prospects of the marriage of opposites this book can be read as a standalone novel as well as part of one of family sagas best sellers

Still Life with Memories is a family saga series tinged with family saga romance fraught with marital issues and riddled with the difficulty of connecting fathers and sons
