**Pirandello's Love Letters to Marta Abba** Luigi Pirandello,2017-03-14 In February 1925 the 58 year old world famous playwright Luigi Pirandello met Marta Abba an unknown beautiful actress less than half his age and fell in love with her She was to become until his death in December 1936 not only his confidante but also his inspiring muse and artistic collaborator helping him in his plans to reform Italian theater under the Fascist regime Pirandello s love for the young actress was neither a literary infatuation nor a form of fatherly affection but rather an unfulfilled desperate passion that secretly consumed him during the last decade of his life Bitterly disillusioned by the conditions of the theatrical world in Italy Pirandello and Abba shared a dream of going abroad to earn their fortune and returning to Italy with the means to establish a national theater dedicated to high artistic standards In March 1929 when Marta finally yielded to family pressure and left Pirandello alone in Berlin to revive her Italian stage career and to end rumors over their involvement he endured a devastating heartbreak and fell into a life threatening depression more profound and long lasting than any of his biographers have yet imagined The hundreds of letters Pirandello wrote to Abba during these years are the only source that reveals the true story of his relentless torment Selected translated and introduced here for the first time in any language these powerful and moving documents reward the reader with the unique experience of living in intimacy with a profound poet of human pain Here Pirandello encourages his beloved in her difficult career as actor manager rejoices in her triumphs and desperately implores her to return to him The letters are filled with glimpses of this major artistic personality at some of his most distinctive moments such as the award of the Nobel Prize his meetings with Mussolini and Marta s long dreamed of success on Broadway but they remain foremost an authentic confession of a Pirandello without the mask of his art telling the story of his real life tragedy In 1986 two years before she died Marta Abba authorized the publication of the present correspondence so that the world might understand how deeply Pirandello had suffered This English language volume contains a selection of 164 letters from the complete edition of 552 which Princeton University Press will publish in cooperation with Mondadori in the original Italian in 1995 Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Encyclopedia of Best**

**Films** Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5 000 three to five star entries: three stars good, four stars excellent, five stars masterpiece. And yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre: i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

**Plays, Poems, and Miscellaneous Writings Associated with George Villiers, Second Duke of Buckingham** George Villiers, Duke of Buckingham, 2007 George Villiers, Second Duke of Buckingham, was one of the most controversial figures of the late 17th century. He was the principal author of *The Rehearsal* (1671), a burlesque play. This edition addresses the difficulties in both attribution and annotation that almost all of his works present.

*Authority, Gender and Emotions in Late Medieval and Early Modern England* Susan Broomhall, 2015-07-21 This collection explores how situations of authority, governance, and influence were practised through both gender ideologies and affective performances in medieval and early modern England. Authority is inherently relational; it must be asserted over someone who allows or is forced to accept this dominance. The capacity to exercise authority is therefore a social and cultural act, one that is shaped by social identities such as gender and by social practices that include emotions. The contributions in this volume, exploring case studies of women and men's letter writing, political and ecclesiastical governance, household rule, exercise of law and order, and creative agency, investigate how gender and emotions shaped the ways different individuals could assert or maintain authority or indeed disrupt or provide alternatives to conventional practices of authority.

**The Best Plays of 1989-1990** Otis L. Guernsey, Jeffrey Sweet, 2000-04 Gathers highlights from the season's ten best plays and information on plays produced in the United States.

**Chronicle of the Pulitzer Prizes for Drama** Heinz-D. Fischer, 2008-12-18 This supplement volume documents the complete history of the development of the awards in the category drama. The presentation is mainly based on primary sources from the Pulitzer Prize Office at the New York Columbia University. The most important sources are the confidential jury protocols reproduced completely as facsimiles for the first time in this volume, and providing detailed information about each year's evaluation process.
