Love Signals A Practical Field Guide:

Love Signals David Givens, 2024-03-26 A world renowned anthropologist explores the nonverbal signs signals and cues human beings exchange to attract and keep their mates As a medium of communication Love s silent language predates speech by millions of years Today we still express emotions and feelings largely apart from words The postures gestures and facial cues of attraction are universal in all societies and cultures According to Dr Givens courtship moves slowly through five distinct phases attracting attention recognition phase conversation phase touching phase making love Since potential mates test each other before uniting as one courtship is a choreographed give and take of signs granting physical and emotional closeness Love Signals is part ethnography and part how to Dr Givens documents the little courting rituals witnessed in elevators on subways and in the workplace He examines the essential role the face plays in courtship and how it can be optimally displayed He decodes the body to find silent messages given off by shoulders neck arms hands waist calves ankles feet and toes Dr Givens analyzes expressive shapes colors and markings encoded in arm wear shoulder wear leg wear and shoes He deciphers the background messages of spaces places and interiors to learn how environs help or hinder in the meeting process Chemical cues emanating from aromas tastes steroids sterols and hormones strongly shape a partner s feelings so they are explored as well The book suggests ways to gaze ways to read eyes across a room and ways to sit stand align walk dress and lift a drink to participate in the fascinating adventure of finding winning and keeping a mate Knowing the unspoken vocabulary of love signals will give readers an edge What this means for courtship is that the reader becomes able to read unspoken motives emotions and feelings with great clarity and precision The more readers know about the nonverbal idiom of attraction the more likely they will find a loving lasting partner **Love in America** Lawrence R.
