**Raising 4 Dimensional Children in a 2 Dimensional World** Tim McCarthy, 2021-07-15 Worried about Whether You re being a Good Parent Maybe you have a newborn and you don t know what to expect Maybe your child gets angry and you don t understand why Maybe your child spends too much time on the Phone or Gaming Don t fret You have what it takes to get the results you desire with a little help New Knowledge is the First Step It s hard to solve a problem if you don t understand the problem You probably

never realized that your child actually develops in 4 Dimensions The Physical Mental Emotional and Spiritual Neglecting even one dimension can be a source of problems When you understand your child s capabilities and limitations in each of the 4 Dimensions at each specific age you will see more clearly why he or she is acting that way Taking Action is the Second Step Knowledge isn t really power until it is put into action Once you have the theory you need practical solutions that will give you results You need clear actions you can take with your child to help him her develop in each dimension Raising 4 Dimensional Children in a 2 Dimensional World is a book that gives you both It has the knowledge you need and it also gives you over 400 educational and fun activities to help your child reach new milestones in growth in each dimension It s the Instruction Manual for Parenting that you didn t get with your child Parenting can be tough but you don t need a degree in psychology or education to raise your child because this book has the results of years of educational and psychological research explained in simple language then coordinates those results with easy and fun activities that your children will love Now is the time to develop a new relationship with your children using activities to enjoy the quality time you have after school after work and on weekends Parenting can be easy and even fun when you have the right tools You CAN do this
