The (New and Improved) Loving Dominant John and Libby Warren, 2012-12-12 Previous editions of *The Loving Dominant* taught more than 40 000 people the fundamentals of safe affectionate dominance and submission. Now John and Libby Warren, two of the scene's most respected educators, have updated this seminal work for a new generation of practitioners. Includes an all new chapter on partner finding plus new information on electricity play, ethical play with multiple partners, watersports, kinky digital photography and more. *The Loving Dominant* John Warren, 1994 **Part-Time Perverts**

Lauren Rosewarne, 2011-04-19 This book offers an erudite yet highly accessible exploration of the presence of sexual perversion in popular culture and its manifestation in everyday life. An interdisciplinary exploration of sexual perversion in everyday life. *Part Time Perverts: Sex, Pop Culture and Kink Management* starts from the premise that for better or worse everyone is exposed to a continual barrage of representations of sexual perversion both subliminal and overt. Our involvement, Dr Lauren Rosewarne contends, is universal but our management strategies cover a spectrum of behavioral possibilities from total repression to total immersion. It is those strategies that she examines here. Drawing on her own experience as well as on pop culture and a multidisciplinary mix of theory, Rosewarne shifts the discussion of perversion away from the traditional psychological and psychiatric focus and instead explores it through a feminist lens as a social issue that affects everyone. Her book examines representations of perversion from suppression to dabbling to full body immersion and proposes a classification for perversion management and charts the diverse strategies we use to manage and perhaps enjoy exposure. **The Loving Dominant** John Warren, 1998 **Finding Leather in a Vanilla World** Shannon Reilly,

*Painful pleasures* Christopher Vaccaro, 2022-07-12 This timely volume ventures into the subject of sadomasochism in varied aspects of medieval life. Saint's Lives and mystical treatises provide evidence of failed sadism and empowering masochism. Literary culture in the form of epics and courtly tales preserve stories of eroticised power. These exciting chapters join together to form a picture of medieval culture that is kinky in its practice and deeply psychological at its core. Lucy & Mickey Red Jordan Arobateau, 1995 Murder at Roissy John Warren, 2015-02-25 The rope around Mistress Raven's throat is tighter and deadlier than the ropes securing her to the bondage rack in Roissy, a weekend resort for sadomasochists in the Arizona desert. She is surrounded by people who have a reason to hate her: the man whose business she stole, the woman whose consent she abused, the ex-lover whose heart she broke. And for Sheriff John Clarke, the small town lawman out to find her killer, the journey into the dark side of human sexuality might just be the most thrilling and dangerous of them all. Created by John Warren, respected author and BDSM educator of many decades experience, *Murder at Roissy* combines a pulse-pounding mystery with scenes of actual BDSM play in all its variety and excitement. **Pinoy Poetics** Nick Carbó, 2004 Cultural Writing: Literary Criticism Essays.
