an opportunity to make a conscious choice for a happy and fulfilled life Choose the Life You Want covers 101 such choices complete with real life stories to help you identify and act on opportunities large and small **Like Trees Walking** Jane Sigloh,2007-05-25 Many of us are fast approaching the golden years of retirement wondering with fear and hope what the future holds for us And you won t find a better companion for the journey of aging than Jane Sigloh She s witty perceptive and wise A retired Episcopal priest she is possessed of both reverent awe and irreverent honesty about the facts and fantasies of growing old She interweaves the insights of Scripture poetry fiction and philosophy into her memories and reflections on the challenges and opportunities that maturity brings Dip into any of these chapters and find a refreshing perspective a humorous anecdote or an intimate confession that will ring true to your own experience *Awakening to the Sacred* Lama Surya Das,2007-12-18 Lama Surya Das author of the bestselling *Awakening the Buddha Within* is the most highly trained American lama in the Tibetan tradition In this elegant inspiring book he integrates essential Buddhist practices with a variety of other spiritual philosophies and wisdom traditions to show you how to create a personalized spiritual practice based on your own individual beliefs aspirations and needs Through reflections on his own life quest thoughtful essays and entertaining stories Surya Das examines the common themes at the heart of any spiritual path including faith doubt love compassion creativity self inquiry and transformation He then explores prayer yoga chanting guided meditations breathing exercises and myriad other rituals providing practical examples of each that we can use day to day to nurture our inner spirit *Joining Hands* Roger S. Gottlieb,2019-05-20 Did Martin Luther King s spiritual understanding of political struggle truly help the Civil Rights movement Can breast cancer victims incorporate both spiritual wisdom and political action in their fight for life Confronting questions that challenge the foundations of both politics and spirituality Roger S Gottlieb presents a brave new account *Mindfulness and Meditation at University* Andreas de Bruin,2021-04-16 Why should mindfulness and meditation be taught at universities What impact could the establishment of such programs have on students and on the education system itself Andreas de Bruin showcases the remarkable results of the first ten years of the Munich Model Mindfulness and Meditation in a University Context a program started in the year 2010 in which 2000 students have already participated Through meditation journal entries featured in the book students describe the effects of mindfulness and meditation on their studies and in their daily lives In addition to an overview of cutting edge research into mindfulness and meditation along with in depth analyses and explanations of key terms the book also contains numerous practical exercises with instructions **Marvelously Made** Mary C. Earle,2012-05-01 Each chapter in *Marvelously Made* focuses on a vital part of the body the heart the lungs the brain the joints relates an anecdote from the author s experience provides reader friendly i e not overly technical information about the wonders of the organ or body part and offers a prayer and a set of gratitude practices physical and spiritual meditation exercises to deepen the reader s appreciation of the body Leaves Falling Gently Susan Bauer-Wu,2025-05-27 Accessible meditations reflections and

practical advice to help patients and their loved ones navigate the emotional landscape of serious illness *Dealing with chronic illness can be an isolating and challenging experience Whether it s you or someone you love it s common to struggle with feelings of fear sadness or anger as you navigate the uncertainty of a diagnosis This revised expanded edition of Leaves Falling Gently empowers readers to embrace the present moment find peace within themselves and deepen interpersonal connections With accessible meditations reflective prompts and mindfulness practices that resonate deeply with both patients and their loved ones it offers a nurturing roadmap for navigating the complexities of health challenges The book s three parts Mindfulness Compassion and Connectedness each contain prompts for meditations reflective writing and daily practices that are rooted in Buddhism and can benefit everyone Frequent reminders to pause now encourage us to be where we re at and move at a pace that is comfortable Backed by research and clinical studies and interspersed with stories from the author s own experiences working in end of life care this heartfelt guide is a welcome offering for all of us to treat ourselves and those around us gently in order to live more fully* *Care Through Touch* Mary Ann Finch,1999-01-10 Most statements about embodied spirituality have been cerebral and abstract presented from a theological or philosophical point of view This massage manual seeks to give the reader an experience of embodied spirituality The introduction situates massage the art of anointing within the framework of Christian spirituality and then proceeds to en flesh that through the meditative quality of the massage sequences through the graphic and sensitive portrayal of vulnerability among the various men and women who volunteered to be the models in the sequences and last but not least through the visible devotion of the massage therapists *Going on a Meditation Retreat* Frits Koster,Jetty Heynekamp,Victoria Norton,2025-04-11 This book provides a straightforward accessible guide to going on a silent meditation retreat Written by experienced retreat facilitators this book presents a mix of Buddhist wisdom insights from modern psychology and mindfulness research and personal accounts from meditators who have attended retreats with them in the last 30 years The chapters provide advice on preparing for the retreat such as booking and what to pack and offer practical day to day guidance about how to sit whilst being kind to knee back or other physical issues There is detailed information about how to work compassionately with the difficult thoughts or emotions and other challenges participants typically encounter on this kind of more intensive meditation programme as well as how to cultivate joy gratitude compassion and balance The focus is on in person retreats but this book also offers some guidance for teaching and participating in online home retreats a new development which has emerged from the COVID 19 pandemic and lockdowns This book is an invaluable resource for anyone considering going on a silent meditation retreat to step out of the often frantic and overwhelming round of day to day activity and find space for reflection It will also be of use to mindfulness teachers or trainees who are required to go on retreat for qualification purposes and to current or trainee retreat facilitators **Modeh Ani** David Birnbaum,Martin S. Cohen, To reference death as sleep is commonplace Indeed so usual is the use of the terminology of rest repose and slumber to denote the process of dying and

indeed death itself that such linguistic turns barely call attention to themselves at all to wish aloud that a deceased individual rest in peace could hardly be more ordinary a prayer even for moderns little given to lyrical expression or to the use of metaphor in daily speech But to approach the equation from the other direction and so to assert that no less than death is sleep sleep is death or at least death dialed down sufficiently to deprive it of its permanence and awful finality is less common a thing to say and it is even less common than that actually to believe Indeed although the Talmud speaking with strange precision asserted long centuries ago that sleep is precisely one sixtieth of death it is hard to find moderns who comfortably or naturally think of awakening from a night's sleep as a kind of daily resurrection 1 Consider for example the undeservedly obscure prayer of Sir Thomas Browne the seventeenth century English polymath who movingly wrote

Confronting Religious Denial of Science Catherine M. Wallace, 2016-07-05 Confronting Religious Denial of Science Christian Humanism and the Moral Imagination traces the cultural backstory of contemporary conflicts between biblical literalists who oppose evolution and New Atheists who insist that religion is so pernicious it should be outlawed if not exterminated That's a clash of fundamentalisms It's a zero sum game derived from high Victorian misunderstanding of both religion and science The God whom science supposedly replaces is the Engineer Almighty sitting at his keyboard controlling every event on earth But that's not a viable concept of God Far better Wallace argues to understand Christianity in Clifford Geertz's terms as a system of symbols that both constitutes a worldview and according to David Sloan Wilson encourages prosocial behavior That reframing makes it possible to reclaim what biblical scholars have said for decades the miracles of Jesus were confrontational symbolic actions They contradicted the political status quo in colonial Palestine not the laws of biology Prayer she explains is not magical thinking It's a creative highly disciplined introspective process most familiar to many people in forms like mindfulness meditation Wallace offers an intriguing exploration of issues that believers seldom discuss in ways that make sense to the religiously unaffiliated **Faith beyond Belief** David Steindl-Rast, Anselm Grün, 2016-03-15 A personal surprising and heart warming book wherein two spiritual masters of our time advance the central questions of life and faith Brother David Steindl Rast and Father Anselm Grün are figures of hope people who by the power of their example can offer an orientation in a world that has become too complex to comprehend The spirituality they radiate is an everyday thing that is nevertheless both profound and vivid Our conversations on which this book is based could be read as a crash course in Christian spirituality This book will be an inspiration and an aid to spiritual life for many people of our time whether they are believers or not Johannes Kaup From the Introduction Abba's Whisper Alan Davey, Elizabeth Davey, 2017-01-18 There is a longstanding tradition that God whispers in our ears He does not shout It is in the holy whisper writes the Quaker mystic that we hear Abba's voice not in the noise of clamoring crowds or the incessant barrage of social media To hear the voice of God is an awesome thing to know his thoughts to intuit his love to participate in his good pleasure It is both a gift to be received and art to be cultivated It can call to us when we least expect but we can train ourselves to

become receptive listeners We need help to separate the cacophony of voices calling to us from the quiet whisper of Abba barely audible Since our wordy world masks the quiet respectful voice of God we need to recognize the primary ways that Abba communicates with his creation We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing From our deep Christian past we hear the voice of St Augustine murmur Whisper in my heart I am here to save you I shall hear your voice and make haste to clasp you to myself

Climbing the Spiritual Mountain Alan Davey, Elizabeth Davey, 2014-09-24 This is a guide for spiritual mountain climbers In the Scriptures connecting with Abba often leads to a mountain Modern spiritual writers have long recognized this scriptural metaphor and explored the nature of this journey of ascent Drawing on the text of the Bible works of literature and the writings of mystics both old and new Climbing the Spiritual Mountain speaks of the desires and intentions discipline and effort involved in developing our intimacy with Christ In Jesus dealings with people in the Gospels he draws them up the spiritual mountain through dialogue and questions Like Socrates of old his teaching method probes our thinking knowledge and motives In the process he stimulates our longing and desire to reach the summit There are challenges hurdles and difficult choices to make as we climb the spiritual mountain But the reward approaching the beautiful One who is our Abba far outshines any sacrifice we may make on the climb Organic Spirituality Nicki Verploegen, 2006-04-01 Organic Spirituality helps readers recover the sense of awe vitality and wonder that they had as children Nicki Verploegen enables us to see that the contemplative life does not mean retreating from the world but discovering joy in the everyday Her sixfold path shows us how to find our way organically through slowing down sharing stories stillness solitude surrender and solidarity

Grieving—The Sacred Art Lisa Irish, 2018-04-03 For most people the pain of loss dominates their experience of grief Grief then becomes something to be avoided or completed as quickly as possible In her new book Lisa Irish presents grief as our ally in the Land of Loss and offers pathways and resources to navigate the confusing and challenging terrain She explores conscious grieving as she gathers the wisdom of bereavement experts spiritual leaders and everyday people walking their own individual paths Lisa encourages us to let seeds of hope find their way into our grieving hearts to allow self compassion during the journey and to trust grief's healing process Grieving The Sacred Art makes a space for love in our sadness and leads us into a Land of Hope **Connections: A Lectionary Commentary for Preaching and Worship** Joel B.

Green, Thomas G. Long, Luke A. Powery, Cynthia L. Rigby, Carolyn J. Sharp, 2019-09-17 Designed to empower preachers as they lead congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to the other readings and to the congregations experience of worship

Connections is published in partnership with Austin Presbyterian Theological Seminary
