The Great Man's Theory in Modern Day Leadership Luqman Barzan Luqman,2022 The Great Man s theory is the oldest existing theory for leadership Many have deemed it to be outdated However it is the simplest approach as to what a leader is stating that a leader needs to possess four characteristics charisma confidence sociability and intelligence Furthermore the Great Man s theory states that leaders are born not made however leaders nowadays can arise if given proper training and if they have personal resolve Objectives The main reason I started this study to prove that a link exists between modern business leadership and how the Great Man s theory and it s characteristics can help one become a successful leader Methods I used qualitative research method with in depth interviews to gather my data In addition I selected 20 leaders within Erbil from both public and private sector businesses Findings The data I had collected from my interviews suggested that the characteristics of the Great Man s theory play a key role in business leadership success Conclusion In conclusion there was indeed a link between the Great Man s theory and modern business leadership success In addition each leader had given their personal insight to the theory and its characteristics and seemingly agreed that the four characteristics of the Great Man s theory are valuable for all leaders and can pave a successful path for leaders who either possess or develop them Keywords The Great Man s theory Business leadership Charisma Confidence Sociability Intelligence Communication Success
