This is why mystics and seers are forced to resort to symbolic uses of language. It is not that they are trying to hide anything. Nobody could be more eager to express himself than a wise man who has had first hand knowledge of the inner and higher planes of experience. This is especially apparent in the writings of the alchemists who had discovered a Great Secret they wished to share with their fellowmen. Yet none of them succeeded in saying what he saw. To most readers the alchemists seem to be doing their best to conceal what they know. The truth of the matter is that ordinary speech will not serve to convey this kind of experience from one mind to another. Paul F Case.
