

A woman with long dark hair, wearing a yellow strapless gown with a black zigzag pattern on the bodice and a large yellow flower in her hair, stands on a balcony at night. She is looking back over her shoulder. The background shows a dark blue sky, green foliage, and a distant castle with towers. A small white candle is visible on the balcony railing to the left.

Jesus Second Coming, Oh Please Not Yet Donald Werner, 2017-08-10 Are you ready

for Jesus Second Coming I am utterly convinced that if Jesus returned today most of the people who call themselves Christians would be lost While they believe themselves to be saved and are told by their church that they are saved they do not pass the test the Jesus left for us The Bible tells us that Jesus himself will judge us according to his words But Jesus words have been set aside by the church as the church points people to walk on the Broad way that will lead to destruction Which road are you on This book is a must read because your eternal life depends on your response to the the teachings of Jesus as I illustrate in this book This book will show you where the church has gone wrong and how to get through the Narrow Gate on to the Narrow way that leads to life I will also share with you how the church today is Laodicea

Spreading the Gospel in Colonial Virginia Edward L.

Bond, 2004-01-01 Due to a perceived lack of resources historians of colonial era Virginia have generally heaped their attention on regional politics and virtually ignored the area s rich religious history Even at a time of revived interest in Virginia s religious atmosphere few scholars have opted to examine what is perhaps one of the region s most valuable primary resources sermon literature With an extensive introduction that fully chronicles as well as contextualizes the practice of religion and church activities in early America Edward L Bond offers a reappraisal of religion s place in the colonies Through his compilation of previously unpublished and largely unexamined sermons he is able to shape a picture of colonial Virginia s religious environment that is unparalleled in both its depth and scope The sermons appear as they do in the original with all notes and marginalia intact Bond s own notes provide definitions of obscure words and terms explanations of arcane allusions and references for unattributed citations His commentary vastly enriches our appreciation not only of the texts but also of their writers and the important role these clergymen played in shaping the young nation By bringing together this variety of important sources some of which are new to even the most established scholars of colonial

The Wood-worker ,1905 *Life-study of Luke* Witness Lee,2023-09-26 Luke's Gospel reveals God among men in His saving grace given to fallen mankind In the Life study of Luke Witness Lee shows that the purpose of Luke's Gospel is to present the Savior as a genuine normal and perfect man It gives a complete genealogy of the man Jesus from His parents back to Adam the first generation of mankind and shows that He is a genuine descendant of man a son of man Witness Lee demonstrates that Luke's record of the life of this man impresses us with the completeness and perfection of His humanity

Hence his Gospel stresses the Lord as the Man Savior It is the Gospel written to mankind in general and it announces the good news to all people It is a Gospel to all sinners both Jewish and Gentile Since it is such the sequence of its record is according to morality not according to historical events
