Wherefrom Does History Emerge? Tilo Schabert,John von Heyking,2020-10-26 Powers of chaos accompany any order of the human world being the force against which this order is set Human experience of history is two fold There is history ruled by chaos and history ruled by order History occurs in a continuous flow of both histories The dialectics of life unto nothingness creation struggles for order order achieved is unceasingly actual In exploring it within a wide interdisciplinary and

transcultural range this book reaches beyond a conventional philosophy of history It deals with the chaotic as well as the cosmic part of the human historical experience It stages this drama through the tales that religious mythical literary philosophical folkloristic and historiographical sources tell and which are retold and interpreted here From early on humans wished to know where why and wherefore all started and took place Couldn t the dialectics between chaos and order be meaningful Couldn t they assume a productive role as to the world s precarious event Power strife guilt divine grace and revelation literary symbolization as well as storytelling are discussed in this book Philosophy political theory theology religious studies and literary studies will greatly benefit from its width and density **The Codex Mexicanus** Lori Boornazian Diel,2018-12-12 Some sixty years after the Spanish conquest of Mexico a group of Nahua intellectuals in Mexico City set about compiling an extensive book of miscellanea which was recorded in pictorial form with alphabetic texts in Nahuatl clarifying some imagery or adding new information altogether This manuscript known as the Codex Mexicanus includes records pertaining to the Aztec and Christian calendars European medical astrology a genealogy of the Tenochca royal house and an annals history of pre conquest Tenochtitlan and early colonial Mexico City among other topics Though filled with intriguing information the Mexicanus has long defied a comprehensive scholarly analysis surely due to its disparate contents In this pathfinding volume Lori Boornazian Diel presents the first thorough study of the entire Codex Mexicanus that considers its varied contents in a holistic manner She provides an authoritative reading of the Mexicanus s contents and explains what its creation and use reveal about native reactions to and negotiations of colonial rule in Mexico City Diel makes sense of the codex by revealing how its miscellaneous contents find counterparts in Spanish books called Reportorios de los tiempos Based on the medieval almanac tradition Reportorios contain vast assortments of information related to the issue of time as does the Mexicanus Diel masterfully demonstrates that just as Reportorios were used as guides to living in early modern Spain likewise the Codex Mexicanus provided its Nahua audience a guide to living in colonial New Spain *Why War?* Christopher Coker,2021-12-01 One of our most original and compelling thinkers on conflict reflects on the Hobbesian impulse of war of all against all *Understanding the Other American Republics* Zoe Agnes Thralls,1942

Boundary Spanners of Humanity R.S. Zaharna, 2021-12-09 Boundary Spanners of Humanity introduces an expansive pan human evolutionary perspective of communication and public diplomacy that can enhance global collaboration R S Zaharna reveals how contemporary communication models are based on a nineteenth century mindset of separateness that divided people into mutually exclusive cultural and national categories That mindset reinforces human divisions and undermines our current efforts for global collaboration In a radical break from conventional thinking Zaharna draws upon multiple disciplines from ancient cosmologies to neurobiology to introduce three communication logics that can leverage human diversity and revolutionize how we collaborate globally
