Esguerra, 2012 The Borough of Licab shares the true stories of a Filipino citizen born in the Ilocos region of the Philippines and his reflections on how the people of this remarkable area were forever

influenced by the power of foreign invaders It was not until Ferdinand Magellan led an expedition that unintentionally landed him on the Philippine island that it was finally recognized by the Europeans setting off a multitude of occupations by the Spanish Japanese and Americans that forced the island s people into a perpetual struggle to gain freedom dignity and independence from the prejudiced intruders With a narrative style George Esguerra begins by sharing brief histories of Portugal and Spain and continues with in depth studies of each foreign occupation the eight radiances of the sun the significant provinces and the political leaders who each in their own way helped change the history of an island and its people who simply wanted to live as a free nation With vivid descriptions and colorful images The Borough of Licabi offers an exploration of an intriguing time in history when the people of the Ilocos region were unwillingly manipulated by greed and the power of a three hundred fifty year old oppression
