

A sepia-toned photograph of a soldier in a trench, looking down at a rifle. The soldier is wearing a dark uniform and a cap. The trench is filled with sandbags and other military equipment. The background is dark and indistinct.

HISTORY OF THE SECOND REGIMENT NEW HAMPSHIRE VOLUNTEERS ITS CAMPS MARCHES AND BATTLES

Martin A. Haynes

History Second Regiment Hampshire Volunteers

Robert R. Redfield

History Second Regiment Hampshire Volunteers:

Special Bibliography - US Army Military History Research Collection US Army Military History Research Collection,1974 **A History of the Second Regiment, New Hampshire Volunteer Infantry, in the War of the Rebellion** Martin Alonzo Haynes,1896 The Second New Hampshire Volunteer Infantry was mustered into service in the Union army in April 1861 This book recounts their activities during the First Bull Run Campaign the Peninsula campaign the Battle of Malvern Hill the Second Battle of Bull Run the Battle of Fredericksburg the Battle of Gettysburg the Battle of Cold Harbor and the fall of Richmond They were mustered out on December 19 1865 Biographical sketches of key personalities in the history of the regiment are included as well as a description of the regiment s Gettysburg monument and its dedication ceremony **Second Regiment, New Hampshire Volunteer Infantry** Martin A. Haynes,1996-01-01 **The Era of the Civil War--1820-1876** US Army Military History Research Collection,1974 **History of Hillsborough County, New Hampshire** Duane Hamilton Hurd,1885 **Special Bibliography** ,1982 **History of the Seventeenth Regiment, New Hampshire Volunteer Infantry. 1862-1863** Charles Nelson Kent,1898 "Lee is Trapped, and Must be Taken" Thomas J. Ryan,Richard R. Schaus,2019-04-15 This award winning Civil War history examines Robert E Lee s retreat from Gettysburg and the vital importance of Civil War military intelligence While countless books have examined the Battle of Gettysburg the Confederate Army s retreat to the Potomac River remains largely untold This comprehensive study tells the full story including how Maj Gen George G Meade organized and motivated his Army of the Potomac to pursue Gen Robert E Lee s retreating Army of Northern Virginia The long and bloody battle exhausted both armies and both faced difficult tasks ahead Lee had to conduct an orderly withdrawal from the field Meade had to assess whether his army had sufficient strength to pursue a still dangerous enemy Central to the respective commanders decisions was the intelligence they received about one another s movements intentions and capability The eleven day period after Gettysburg was a battle of wits to determine which commander better understood the information he received Prepare for some surprising revelations The authors utilized a host of primary sources to craft this study including letters memoirs diaries official reports newspapers and telegrams The immediacy of this material shines through in a fast paced narrative that sheds significant new light on one of the Civil War s most consequential episodes Winner Edwin C Bearss Scholarly Research Award Winner 2019 Hugh G Earnhart Civil War Scholarship Award Mahoning Valley Civil War Round Table **Field Artillery** ,2010 This volume gathers in compact form the official historical records of field artillery units in the United States Army in order to perpetuate and publicize their traditions honors and heraldic entitlements It includes the lineages and honors of Regular Army and Army Reserve field artillery commands brigades and groups and corps and division artillery that have been active since 1965 It also includes the fifty eight elements of each regiment that have been active since the inception of the Combat Arms Regimental System in 1957 This two part second edition updates the lineages honors and heraldic items of the Regular Army

s field artillery regiments and further expands them to include organizations above the regimental level as well as Army National Guard units All are current through September 1 2003 This is the companion book of The Organizational History of Field Artillery 1775 2003 **Monthly Bulletin of Books Added to the Public Library of the City of Boston** Boston Public Library,1900 *The Victoria History of the County of Surrey* Henry Elliot Malden,1905 Miserable Little Conglomeration Christopher Thrasher,2023-09-29 The essential starting point to understand the experiences of the soldiers enslaved people and civilians involved in the Port Hudson campaign H Net Reviews While Vicksburg and Gettysburg tend to receive the most attention among Civil War battles it is Port Hudson that holds the record for the longest running siege in American history During the summer of 1863 US soldiers fought in the infamous heat and damp of Louisiana for forty eight grueling days having severely underestimated the Confederates determination to win Previous accounts of these events have rested on the leaders well known figures and familiar faces of the Civil War Here social historian Christopher Thrasher draws from a robust collection of archival sources to tell the story of the common people s experience throughout the Port Hudson Campaign the soldiers who fought the civilians who persisted and the men who persevered for those long days With more than forty illustrations and maps depicting the battles of Port Hudson and the defenses of the place itself Miserable Little Conglomeration builds upon previous scholarship to present a social history of this campaign through the eyes of the people who lived fought and died within it Filling a long empty gap within Civil War scholarship Thrasher s fresh approach to the Port Hudson campaign will be of interest to Civil War scholars students of Louisiana history and younger learners who are interested in the voices of American history *Sickles at Gettysburg* James A. Hessler,2009-06-25 Sickles is as dividing a figure in Civil War history as there is In his masterful work Hessler puts him out there with all his wrinkles Confederate Book Review Winner of the Robert E Lee Civil War Roundtable of Central New Jersey s Bachelder Coddington Literary Award Winner of the Gettysburg Civil War Roundtable s Distinguished Book Award By licensed battlefield guide James Hessler this is the most deeply researched full length biography to appear on this remarkable American icon No individual who fought at Gettysburg was more controversial both personally and professionally than Major General Daniel E Sickles By 1863 Sickles was notorious as a disgraced former Congressman who murdered his wife s lover on the streets of Washington and used America s first temporary insanity defense to escape justice With his political career in ruins Sickles used his connections with President Lincoln to obtain a prominent command in the Army of the Potomac s 3rd Corps despite having no military experience At Gettysburg he openly disobeyed orders in one of the most controversial decisions in military history Hessler s critically acclaimed biography is a balanced and entertaining account of Sickles colorful life Civil War enthusiasts who want to understand General Sickles scandalous life Gettysburg s battlefield strategies the in fighting within the Army of the Potomac and the development of today s National Park will find Sickles at Gettysburg a must read The few other Sickles biographies available will now take a back seat to Hessler s powerful and evocative study of the man the general and the

legacy of the Gettysburg battlefield that old Dan left America I highly recommend this book J David Petruzzi coauthor of *Plenty of Blame to Go Around* Jeb Stuart s Controversial Ride to Gettysburg *This Hallowed Ground* Bruce Catton,2012-01-03 A perfect introduction and the best single volume treatment of the Civil War Chicago Sun Times that captures the dramatic scope and intimate experience of that epic struggle from the Pulitzer Prize winning author of the *Army of the Potomac* Trilogy Covering events from the prelude of the conflict to the death of Lincoln Bruce Catton blends a gripping narrative with deep yet unassuming scholarship to bring the war alive on the page in an almost novelistic way It is this gift for narrative that led contemporary critics to compare this book to *War and Peace* and call it a modern *Iliad* Now over fifty years old *This Hallowed Ground* remains one of the best loved and admired general Civil War books a perfect introduction to readers beginning their exploration of the conflict as well as a thrilling analysis and reimagining of its events for experienced students of the war Includes maps *One Continuous Fight* Eric J Wittenberg,J. David Petruzzi,Michael Nugent,2008-05-15 A detailed history of the Confederate retreat after the Battle of Gettysburg and the Union effort to destroy the enemy during the American Civil War The three day Battle of Gettysburg left 50 000 casualties in its wake a battered Southern army far from its base of supplies and a rich historiographic legacy Thousands of books and articles cover nearly every aspect of the battle but *One Continuous Fight* is the first detailed military history of Lee s retreat and the Union effort to destroy the wounded Army of Northern Virginia Against steep odds and encumbered with thousands of casualties Confederate commander Robert E Lee s post battle task was to successfully withdraw his army across the Potomac River Union commander George G Meade s equally difficult assignment was to intercept the effort and destroy his enemy The responsibility for defending the exposed Southern columns belonged to cavalry chieftain James Ewell Brown Jeb Stuart If Stuart fumbled his famous ride north to Gettysburg his generalship during the retreat more than redeemed his flagging reputation The long retreat triggered nearly two dozen skirmishes and major engagements including fighting at Granite Hill Monterey Pass Hagerstown Williamsport Funkstown Boonsboro and Falling Waters President Abraham Lincoln was thankful for the early July battlefield victory but disappointed that General Meade was unable to surround and crush the Confederates before they found safety on the far side of the Potomac Exactly what Meade did to try to intercept the fleeing Confederates and how the Southerners managed to defend their army and ponderous 17 mile long wagon train of wounded until crossing into western Virginia on the early morning of July 14 is the subject of this study *One Continuous Fight* draws upon a massive array of documents letters diaries newspaper accounts and published primary and secondary sources These long ignored foundational sources allow the authors each widely known for their expertise in Civil War cavalry operations to carefully describe each engagement The result is a rich and comprehensive study loaded with incisive tactical commentary new perspectives on the strategic role of the Southern and Northern cavalry and fresh insights on every engagement large and small fought during the retreat The retreat from Gettysburg was so punctuated with fighting that a soldier felt compelled to

describe it as One Continuous Fight Until now few students fully realized the accuracy of that description Complete with 18 original maps dozens of photos and a complete driving tour with GPS coordinates of the army's retreat and the route of the wagon train of wounded One Continuous Fight is an essential book for every student of the American Civil War in general and for the student of Gettysburg in particular *To the North Anna River* Gordon C. Rhea, 2005-09 Rhea looks at the initial campaign between Ulysses S Grant and Robert E Lee between May 13 and 25 1864 a phase that was critical in the clash between the Army of the Potomac and the Army of Northern Virginia Rhea charts the generals every step and misstep in their efforts to outfox each other 12 halftones 29 maps **Uniforms of the Civil War** Francis A. Lord, Arthur M.

Wise, 2007-01-01 Shattering the myth that the Civil War was fought between soldiers in blue or in gray this history details the many colors and styles worn by members of the Federal and Confederate armies 108 illustrations **Historical Dictionary of the Civil War** Terry L. Jones, 2011-07-15 The Civil War was the most traumatic event in American history pitting Americans against one another rending the national fabric leaving death and devastation in its wake and instilling an anger that has not entirely dissipated even to this day 150 years later This updated and expanded two volume second edition of the Historical Dictionary of the Civil War relates the history of this war through a chronology an introductory essay an extensive bibliography and hundreds of cross referenced dictionary entries on persons places events institutions battles and campaigns This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War

The Maps of Second Bull Run Bradley M. Gottfried, 2024-11-21 A map based analysis of the Second Bull Run Campaign detailing troop movements battles and strategies with full color cartography and insightful commentary The Maps of Second Bull Run An Atlas of the Second Bull Run Manassas Campaign from the Formation of the Army of Virginia Through Chantilly June 26 September 1 1862 continues Bradley M Gottfried's efforts to study and illustrate the major campaigns of the Civil War This is the tenth book in the ongoing Savas Beatie Military Atlas Series President Abraham Lincoln's frustration with George B McClellan's inability to defeat Robert E Lee and capture Richmond dramatically increased after the unsuccessful Seven Days Battles In response Lincoln combined three small armies into the new Army of Virginia and placed it under Maj Gen John Pope who had overseen several successes in the Western Theater Pope's aggressiveness and McClellan's passivity on the Peninsula convinced Lee to send Thomas Stonewall Jackson's wing of the Army of Northern Virginia to confront Pope A bloody battle at Cedar Mountain on August 9 halted Pope's move south and Jackson's raid on the vast stores at Manassas Junction triggered another confrontation this time at Kettle Run When McClellan's troops abandoned the Peninsula Lee moved his other wing under James Longstreet rapidly north Pope missed an opportunity to prevent the junction of Lee's wings by not stopping Longstreet at Thoroughfare Gap The battle of Second Bull Run began on the evening of August 28 when Jackson tangled with Union troops at the Brawner Farm Pope spent much of the next day hammering Jackson's front with no idea that Longstreet was arriving on the field The Union assaults continued on August 30 until

Longstreet launched a massive assault that rolled up the Union left flank and collapsed Pope's army. The retreat was briefly interrupted by some of Jackson's units at Chantilly which ended the campaign. The Maps of Second Bull Run plows new ground by breaking down the entire campaign into 24 map sets or action sections enriched with 122 detailed full page color maps. These cartographic originals bore down to the regimental and battery level. They include the march to and from the battlefields and virtually every significant event in between including cavalry actions. At least two and as many as ten maps accompany each map set. Keyed to each piece of cartography is a full facing page of detailed text describing the units' personalities, movements and combat including quotes from eyewitnesses depicted on the accompanying map, all of which make the cavalry actions come alive. This presentation allows readers to easily find a map and text on any portion of the sprawling campaign. Serious students will appreciate the extensive endnotes and complete orders of battle and take the book with them to the battlefields. A final bonus is that the maps unlock every other book or article written on any aspect of the campaign. Perfect for the easy chair or for stomping the hallowed grounds, The Maps of Second Bull Run is a seminal work that belongs on the bookshelf of every serious and casual student of the battle. *Finding List*, 1900

Yeah, reviewing a book **History Second Regiment Hampshire Volunteers** could amass your close contacts listings. This is just one of the solutions for you to be successful. As understood, achievement does not suggest that you have astonishing points.

Comprehending as competently as accord even more than other will provide each success. adjacent to, the proclamation as without difficulty as acuteness of this History Second Regiment Hampshire Volunteers can be taken as skillfully as picked to act.
