

The background of the entire image is a painting of a forest. In the foreground, a deer is depicted in profile, facing right, standing on a path. The trees are dense with green foliage, and the lighting suggests a bright, sunny day. The overall style is that of a classic oil painting.

Home At Last Stories From A Sanctuary:

Home at Last Jim Kyle, Suzanne Warren, Camen Hodges, 2014-11-14 Net proceeds from the sale of the book will be used to support the animals at Home at Last Sanctuary *Home at Last Stories from a Sanctuary* is a collection of moving and inspiring stories and essays that celebrate the sanctity of life and illuminate the peace and harmony that result when beings animal or human live according to their true nature at home at last a state of being as well as a place The author Jim Kyle co founder of the Home at Last Sanctuary writes in a singular voice about his experiences of living amongst a huge herd of unadoptable unwanted horses that he and Donna his wife of 50 years have given a caring and forever home An assortment of donkeys mules calves and goats have also found their way to this haven where each animal has a tale of being cast away to come to find healing and redemption being at home at last safe and secure until the end of their days Jim tells their sometimes heart breaking but ultimately uplifting stories with great compassion and tenderness The book also contains musings about the value of every life and observations on everyday life lived amongst over 100 animals in their care Informative essays about horsemanship and the true nature of equines are infused by Jim s great love of these magnificent creatures and will provide great food for thought From the book The accepted notion is that these beings live in the moment that they are existentialists in the extreme They move into a future that is not pondered or worried about and their past is not reflected upon I m pretty sure that s way oversimplified I prefer to believe they live in a state of grace They are able to transcend their past and to move to the future unfettered by foolish fears but with the wisdom of experience There is no argument about the capacity of their memories There s no mistaking their intelligence or sensitivity They are sentient in the full meaning of that word They know who they are and who others are They have friends sense loss celebrate reunions and suffer separation They can become ill from stress and worry and become healthy with a sense of peace and security They choose to reveal only as much of themselves as they wish to share with our kind To get past their outer shell takes a lot of time and an understanding of how their kind defines trust But I have had an opportunity to have them share with me and let me come to know them when they are home and living as they were intended to live It is and has been remarkable Do these magnificent animals sense that they are home at last I would say without hesitation yes they do They know that this is their place They know it very soon after they arrive here Nice to be able to offer that to them Humbling Net proceeds from the sale of the book will be used to support the animals at Home at Last Sanctuary **Home at Last** Lily Everett, 2025-10-16 Home is where the heart is In Lily Everett s *Home at Last* Marcus Beckett left Sanctuary Island after his mother s funeral and he hasn t been back since Until now Needing a change from the high risk high stakes life of a bodyguard Marcus makes a solitary life for himself running the neighborhood bar in his hometown His only mistake Seducing and then dumping the town s sweetheart Quinn Harper Marcus knows he did the right thing a good girl like Quinn has no business with a broken man like him But now no one will come to his bar and he s watching his last chance at a peaceful life go up in smoke So when Quinn proposes a fake four week

courtship he can't refuse even though he knows it's a bad idea. It's a romantic charade that will buy Quinn time to distract her mother and father from their own marital problems and will help Marcus welcome back some paying customers besides. But what begins as an engagement of convenience slowly transforms into a deeper connection one that heals both of their hearts and ignites the simmering passion between them. Could it be that pretending to be together is just what Quinn and Marcus needed to give their real love a second chance. Heartwarming emotional extremely romantic. Enjoy your trip to Sanctuary Island. I guarantee you won't want to leave. Bella Andre New York Times bestselling author

The True Story of Acid House: Britain's Last Youth Culture Revolution Luke Bainbridge, 2014-02-10

The arrival of a new style of music and a new type of drug in 1988 ignited a revolution. To coincide with the 25th anniversary of the second summer of love, this is the definitive story of the seismic movements in music and youth culture that changed the cultural landscape forever. Luke Bainbridge is uniquely positioned to tell this story, having connections both in the industry through nearly two decades as a music journalist and on the dancefloor through two decades of dancing, promoting, and DJing. Bainbridge has interviewed most of the protagonists who led the revolution: from the DJs and musicians to the promoters, gangsters, and ravers, and built up a relationship of trust and mutual respect. This will be the true story of acid house from the DJ box to the dance floor. He examines the legacy and lasting impact of acid house and how the second summer of love is viewed 25 years on. How has acid house been assimilated into mainstream culture? How did the change in drugs away from ecstasy towards other drugs affect the music and the party scene? Why has the free party scene never really been replicated despite new technology, greater capacity to organise events, and disseminate information? Did the summer of 1988 leave us with a generation of drug users? Has there been any lasting effect of such an explosion in drug use? Who were the real winners and casualties in the story? Do the world's current biggest DJs, Tiesto, Swedish House Mafia, David Guetta, have any connection to the original scene? Where next for house and dance music in general?

Invasion of the Roach People, The Story of Failed Desegregation in Dallas David Wayne Lusk, 2022-07-13

After the Civil Rights Act of 1964, David Lusk lived the greater part of his life with African Americans, and he found it almost impossible to communicate with them. They simply didn't want to communicate with White people. He gave up in 1975 when a Black neighbor threatened to kill him over a misunderstanding. David witnessed the economic collapse of southern Dallas in the 1980s due to White Flight, during which the City of Dallas became the Crime Capital of the United States. He then saw most of the city transformed by Black Emergence and White Flight as Black people merged into other sectors of the city. David saw the very core of Dallas change by the year 2000 because of the Civil Rights Act. He then saw the rebirth of the southern sector during the first two decades of the 21st century as developers returned to south Dallas. They had no place else to go because the rest of the city had been developed. During the early 21st century, Black people who controlled an airport harassed David with aircraft for 20 years because he was a White person jogging in a Black neighborhood. Dallas Police participated in this racial persecution, and the

FBI eventually had to step in to stop the police involvement This unbelievable story is told in *Invasion of the Roach People* which David wrote for the benefit of future generations of Whites and Blacks The future begs for cohesiveness between Whites and Blacks but can it ever happen

Saving Anne the Elephant - The True Story of the Last British Circus Elephant Claire Ellicott, 2016-03-03 When shocking images emerged of Anne Britain's last circus elephant being beaten by one of her keepers it sparked a national outcry Undercover footage showed the gentle creature cowering in fear as the youth repeatedly inflicted violent attacks on her making her wince in pain The public was appalled and demanded that Anne be freed from the circus where she had spent nearly fifty five years performing and be allowed to live out her final years in peace I a reporter at the Daily Mail broke the story after the campaign group Animal Defenders International passed the newspaper the footage they had secretly shot From then on the paper animal charities and experts worked tirelessly behind the scenes to save Anne and deliver her to safety But there were fears for her health due to her crippling arthritis and old age and at one stage it was thought that she might have to be put down to ease her suffering Thankfully the vets decided that they could treat her and she officially retired in 2011 It was agreed that Longleat Safari Park would be her new home and she settled in nicely Meanwhile her keeper is believed to have fled to his native Romania and her owner Bobby Roberts was prosecuted for animal cruelty the following year The Daily Mail ran a funding appeal to build her a refuge at the park specifically designed for her needs and she moved in to Anne's Haven a year ago Since she was rescued she has gone from strength to strength and the arthritis which caused her to drag her back legs has dramatically improved Having recovered her mobility she is able to play and go for walks with new found energy Now at last she has the chance to live out her final years in a happy and safe place

The Story - The Birth of Magick Josh Gore, 2022-03-28 In the beginning there were only The Primordials the great architects of the universe From their magick the Divine Mother was born to be the guardian of the light that would now illuminate the once dark universe The big bang of her birth resulted in a massive explosion of light and fire and from it the very first sun was created and the First World which would live in its light This Great Awakening would be known as the first day of life to all of the peoples of the First World who would soon be torn between the ever lasting battle between the light and the dark
