The Tree of Life Susie Stone, 2018-04-07 Reading through my family archives I found the following post In her youth John Crenshaw gave an army sergeant a five dollar gold piece to release her to him I was intrigued I wanted to know what had happened to this couple John Crenshaw and the Cherokee Indian maiden What did this five dollar gold piece play in the story as I read about their lives set in those before and after years of the Civil War I became fascinated with the information that I could piece together to tell the story of two Cheyenne Indian women and their chosen lives through diversity the Civil War and their family my ancestors While I created some parts in fiction to embellish the story the written actions of each resilient woman were true bonded together with the telling of their lives I was proud to write their stories of love and dedication and I began to know them as actual women creating my own tree of life These two women were my great grandmother and great great grandmother I was intrigued to read of their lives and connected them to my own life My father had always told me stories of his Indian grandmother LeAnna Crenshaw Stone and now I had actually found her story Through the archives I enabled her life to be told again Go now to your dwellings to enter into the days of your life together Elliot Arnold 1947

Watson Jr,2010-06 Without the revelation knowledge of God there would be no foundation for truth God therefore reveals to us that which is pertinent so that our understanding and our relationship with Him can be correct without controversy and contempt We build upon the revelation of truth and stand on the Word of God so that when He appears we shall look just like Him My prayer is that God encourages you and strengthen you through the keeping power of the Holy Spirit The Twelve Fruits of the Tree of Life is God s provision for the believer the child of God Reading is fuel for the mind Food is fuel for the body The Word of God is fuel for the soul You are what you eat Each fruit has it s own texture taste and quality but all provide the nourishment necessary for the growth of maturity in Him Fast Foods convenient foods and junk foods can never take the place of a good home cooked meal What God has cooked up for us not only will sustain us but will also heal the wounds and scars left behind of our past Amazing are the benefits when we eat right This book is designed to allow us to absorb the goodness of God s provision through correct eating not of natural foods but of spiritual man shall not live by bread alone but by every word of God So let us eat to live and grow in the knowledge of grace peace and the power of the Holy Ghost Ernest C Watson Jr Ordained Preacher of the Gospel of Christ     **Proverbs and the African Tree of Life** Dorothy BEA Akoto-Abutiate,2014-08-07 In Proverbs and the African Tree of Life Dorothy BEA Akoto Abutiate juxtaposes chosen sayings from Proverbs and selected Ewe Folk proverbs using the agricultural metaphor of grafting which she calls a hermeneutic of grafting Though these two sets of sayings come from completely different cultural contexts Akoto argues that folk sayings proverbs which abound in Africa should be considered as an already mature established tree on to which a piece of the biblical tree is spliced or engrafted to produce hybridized fruits that have uniquely different tastes than the fruits of each tree individually This metaphorical grafting process allows the message of the Bible in Proverbs to be understood imbibed and appropriated in Africa     **You're Not the Only Nut in the Tree of Life** Debra Munden,2011-12 Get ready to laugh and cry as you read You re Not the Only Nut in the Tree of Life There are many of us hanging right there beside you Being a mother of five children has been both a challenge and a joy for author Debra Munden When she met her future husband Bob in high school the two never imagined the adventures they would share as parents Like all young couples they felt they would have it all together when it came to raising children We had it all planned out but God had different ideas than we did We are now enjoying watching our children go through the same struggles we did she says with a quiet smile and a knowing nod I think my greatest joy has been when one of my children tells me Please don t tell me I was any way like this Each chapter shares a personal story and ends with a tie in to scripture in the Bible The purpose of my book is to achieve five things to make you laugh to make you cry to make you think to make you remember and to make you hope So sit back relax and realize that You re Not the Only Nut in the Tree of Life
