gone hysterically wrong or a mother in law who makes every trip to the grocery store an adventure author Sophie Hudson reminds us how important it is to slow down and treasure the day to day encounters with the people we love the most Written in the same witty style as Sophie s BooMama blog A Little Salty to Cut the Sweet is a cheerful funny and tender account of Sophie s very Southern family It s a look into the real lives of real people and a real loving God right in the middle of it all Home Is Where My People Are All roads lead to home It s easy to go through life believing that we can satisfy our longing for home with a three bedroom two bath slice of the American dream that we mortgage at 4 percent and pay for over the course of thirty years But ultimately in our deepest places we re really looking to belong and to be known And what we sometimes miss in our search for the perfect spot to set up camp is that wherever we are on the long and winding road of life God is at work in the journey teaching us shaping us and refining us sometimes through the most unlikely people and circumstances In Home Is Where My People Are Sophie Hudson takes readers on a delightfully quirky journey through the South introducing them to an unforgettable cast of characters places and experiences Along the way she reflects on how God has used each of the stops along the road to impart timeless spiritual wisdom and truth Nobody embodies the South like Sophie Hudson and this nostalgic celebration of home is sure to make even those north of the Mason Dixon line long to settle in on the front porch with a glass of sweet tea and reflect on all of the people in our lives who related or not have come to represent home Because at the end of the day it s not the address on the front door or even the name on the mailbox that says home but the people who live and laugh and love there wherever there might happen to be The American Stud Book ,1894 Containing full pedigree of all the imported thorough bred stallions and mares with their produce Jacobs' Orchestra Monthly ,1928
