Institutes which opened in 1909 used a form of aversion treatment and advertised themselves as three day liquor cures Competition between the gold cures and the three day liquor cures in the first two decades of the 20th century was fierce and intense Then as the United States entered World War One in 1917 the demand for addiction treatment suddenly dried up for a variety of reasons and the majority of these proprietary cure institutes had shut down before the enactment of Prohibition in 1920 although the parent Keeley Institute in Dwight remained in operation until 1966 This book contains the never before told tale of how these proprietary treatment institutes grew into a huge industry flourished then finally faded away as the United States entered World War One Part One of this book covers the Keeley Institutes Dipsocura the Bedal Institutes the McKanna liquor cure the Wherrell gold cure and the Hagey Cure Part Two of this book covers the Morrell Cure the National Bichloride of Gold Institutes the Oppenheimer Institutes the Tyson Vegetable Cure the Willow Bark Institutes the Telfair Sanitarium the Connelley Cure the Murray Institutes the Gatlin Institutes the Neal Institutes the S B Collins Cure and the D Unger Cure Part Two also contains appendices discussing strychnine belladonna alkaloids jag cure laws and more
