*Home Game* Michael Lewis, 2010-06-07 The New York Times bestseller Hilarious No mushy tribute to the joys of fatherhood Lewis book addresses the good the bad and the merely baffling about having kids Boston Globe When Michael Lewis became a father he decided to keep a written record of what actually happened immediately after the birth of each of his three children This book is that record But it is also something else maybe the funniest most unsparing account of ordinary daily household life ever recorded from the point of view of the man inside The remarkable thing about this story isn't that Lewis is so unusual It's that he is so typical The only wonder is that his wife has allowed him to publish it *Quicklet on Michael Lewis' Home Game: An Accidental Guide To Fatherhood* Karen Lac, 2012-04-04 ABOUT THE BOOK Parenthood is an experience often talked about but rarely understood by those who have not gone through it It is an experience that can hardly be described in words Author Michael Lewis in *Home Game An Accidental Guide to Fatherhood* never claims that he has written a definitive account of fatherhood Contrary to the title the book is not even really a guide to what one should expect and do when becoming a father Rather it is Lewis personal account of his experience of becoming a father to and raising three children Reading much like a diary he takes the reader on the journey that he and his wife Tabitha Soren went through Through Lewis personal account the reader gets a glimpse of what fatherhood is like Or more accurately what fatherhood was like for one man MEET THE AUTHOR Based in the San Francisco Bay Area Karen Lac has been writing since 1999 Her articles have appeared in print in The Occidental Weekly Her writing reflects her broad interests She writes travel entertainment political commentary health nutrition food education career and legal articles for numerous websites She holds a Bachelor of Arts in English Literature and a Bachelor of Arts in politics both from Occidental College EXCERPT FROM THE BOOK When Lewis became a father the only role model he had was his own father His own father like many men of that time whose primary responsibility was to provide economic security wasn't really involved in raising him The bulk of the dirty work was done by his mom Now fathers are expected to be involved Lewis knows that some people think that he should do more to help his wife out with the kids while there are others who think he's a saint for how much he does Lewis makes it clear in his book that as of yet there is no ideal model of fatherhood If there was then fatherhood and parenting in general wouldn't be so difficult and surprising Today fatherhood as practiced by Lewis father and that of most other fathers would be frowned upon and considered to be neglect CHAPTER OUTLINE *Quicklet on Michael Lewis Home Game An Accidental Guide To Fatherhood* About *Home Game An Accidental Guide to Fatherhood* Michael Lewis The Father Who Wrote an Accidental Guide to Fatherhood Overall Summary of *Home Game An Accidental Guide to Fatherhood* by Michael Lewis Chapter by Chapter Commentary Summary of *Home Game An Accidental Guide to Fatherhood* by Michael Lewis and much more Michael Lewis *Home Game An Accidental Guide To Fatherhood* **Summary and Analysis of The Big Short: Inside the Doomsday Machine** Worth Books, 2017-03-07 So much to read so little time This brief overview of *The Big Short*

son relationship and advocates the end of the mama's boy taboo New York Times contributor Kate Stone Lombardi unveils the surprisingly close relationship between mothers and sons Mother after mother confessed to Lombardi that her husband brothers and even female friends and family criticize the fact that she is too close to her sons Many of these women are often startled by the strong connection they feel with their sons but rarely do they talk about it because society tells them to push their little boys away and not baby them with too much cuddling and comforting It is as if there were an existing playbook based on gender preconceptions dating back to Freud Oedipus and beyond that prescribes the way mothers and their sons should interact Lombardi's much needed narrative is the first and only book to share truly revealing interviews with mothers who have close relationships with their sons as well as interviews with these women's sons and husbands Lombardi persuasively argues that the rise of the new male one who is more emotionally intelligent and more sensitive without being less manly is directly attributable to women who are rejecting the mama's boy taboo Highlighting new scientific studies **The Mama's Boy Myth** begins a fresh story one that will be welcomed by mothers fathers and sons alike
