Home Recording Made Easy Sound On Sound:

Home Recording Made Easy (Second Edition) Paul White, 2010-04-06 Fully updated to explain digital editing computer maintenance system enhancement CD burning and mastering Home Recording Made Easy covers the whole range of home recording techniques from acoustically treating your studio to arriving at a completed master Illustrated throughout with easy to follow diagrams and screen shots this second edition is an indispensable handbook for every aspiring home studio owner

Dawn of the DAW Adam Patrick Bell, 2018-02-08 Dawn of the DAW tells the story of how the dividing line between the traditional roles of musicians and recording studio personnel producers recording engineers mixing engineers technicians etc has eroded throughout the latter half of the twentieth century to the present Whereas those equally adept in music and technology such as Raymond Scott and Les Paul were exceptions to their eras the millennial music maker is ensconced in a world in which the symbiosis of music and technology is commonplace As audio production skills such as recording editing and mixing are increasingly co-opted by musicians teaching themselves in their do it yourself DIY recording studios conventions of how music production is taught and practiced are remixed to reflect this reality Dawn of the DAW first examines DIY recording practices within the context of recording history from the late nineteenth century to the present Second Dawn of the DAW discusses the concept of the studio as musical instrument and the role of the producer detailing how these constructs have evolved throughout the history of recorded music in tandem Third Dawn of the DAW details current practices of DIY recording how recording technologies are incorporated into music making and how they are learned by DIY studio users in the musically chic borough of Brooklyn Finally Dawn of the DAW examines the broader trends heard throughout summarizing the different models of learning and approaches to music making Dawn of the DAW concludes by discussing the ramifications of these new directions for the field of music education

The Sound on Sound Book of Home Recording Made Easy Paul White, 1997 Tells you how to choose home recording equipment and the correct way to use it so you can create professional demos or independent release quality recordings for very little cost
