Healthy, Happy, Homemade Meals Gooseberry Patch, 2018-11-09 Make it Healthy Fresh Fresh Fresh Eating fresh vegetables and fruits is always a goal when eating healthier Fresh from the garden the farmers market or from the produce section of your favorite grocery store choose ingredients that look fresh and colorful Then enjoy them as soon as you can Eat uncluttered foods Who needs to add canned sauces and gravies when a grilled piece of meat or roasted veggies taste so great Keep food clean and simple whenever you can Read the label If you don t know what an ingredient is look it up and be sure you want to eat it Unprocessed or minimally processed foods are always best Processed foods often add unneeded preservatives salt and sugar Choose real foods like eggs lean meats fresh fruits and veggies and whole grain breads over processed foods with added ingredients you don t need or understand Choose the right fat Use heart healthy fats

such as canola and olive oil whenever you can Butter is a real food but margarine isn't Fats are good for you just choose the right ones And be a bit creative when you can such as using avocado on your toast instead of butter and jelly Don't forget to snack Having a healthy snack between meals can help you not to overeat when mealtime comes around Treat yourself and enjoy There is always room for a treat Dark chocolate is everyone's friend The oatmeal in an oatmeal cookie is good for your cholesterol Watch the calories The USDA says that most adults need about 2000 calories a day Make it Happy One of the best pleasures of life is sitting around the table with family and friends to enjoy a good meal Here are some tips for making meal time a happy one Presentation of food colors plates etc Turn off the devices and have some fun table talk Make it Homemade Preparing a meal together is a great family experience for any age Even the little ones can help stir and add ingredients and feel a part of the meal prep that is so much fun Eating at home ensures that you know where the ingredients came from and that it is fresh and good Plus you'll save money

Ossian,2012-01-01 To many rural Iowans the stock market crash on New York s Wall Street in October 1929 seemed an event far removed from their lives even though the effects of the crash became all too real throughout the state From 1929 to 1933 the enthusiastic faith that most Iowans had in Iowan President Herbert Hoover was transformed into bitter disappointment with the federal government As a result Iowans directly questioned their leadership at the state county and community levels with a renewed spirit to salvage family farms demonstrating the uniqueness of Iowa s rural life Beginning with an overview of the state during 1929 Lisa L Ossian describes Iowa s particular rural dilemmas evoking through anecdotes and examples the economic nutritional familial cultural industrial criminal legal and political challenges that engaged the people of the state The following chapters analyze life during the early Depression new prescriptions for children s health creative housekeeping to stretch resources the use of farm playlets to communicate new information creatively and memorably the demise of the soft coal mining industry increased violence within the landscape

and the movement to end Prohibition The challenges faced in the early Great Depression years between 1929 and 1933 encouraged resourcefulness rather than passivity creativity rather than resignation and community rather than hopelessness Of particular interest is the role of women within the rural landscape as much of the increased daily work fell to farm women during this time While the women addressed this work simply as making do Ossian shows that their resourcefulness entailed complex planning essential for families emotional and physical health Ossian s epilogue takes readers into the Iowa of today dominated by industrial agriculture and asks the reader to consider if this model that stemmed from Depression era innovation is sustainable Her rich rural history not only helps readers understand the particular forces at work that shaped the social and physical landscape of the past but also traces how these landscapes have continued in various forms for almost eighty years into this century
