Homily For The Holy Trinity Sunday:

Collects of the Day: Containing the collects from Trinity Sunday to All Saints' Day, together with those at the end of the Communion service, and appendices Edward Meyrick Goulburn, 1895 **Hearing the Word of God** John R. Donahue, 2003

Father Donahue's commentaries on the lectionary readings in *Hearing the Word of God* first appeared as a popular weekly column in *American* covering Cycle C. Since some of the Sundays in the Cycle were displaced by particular feasts, reflections on these Sundays have also been added. *Hearing the Word of God* includes Scripture readings for the Sunday followed by a reflection on the reading and concludes with *Praying with Scripture*, a series of questions and meditations to guide readers in making a personal application of the reflection.

Reclaiming American Catholicism John Gehring, 2025-08 The Catholic Church in the United States stands at a crossroads between crisis and opportunity At a time when only the second Catholic President in U S history is shaped by the culture and many social justice teachings of his faith the most vocal leaders in the U S Catholic hierarchy embrace a culture war Catholicism that pits them against President Biden the pastoral priorities of Pope Francis and many Catholics in the pews

This book based on many interviews and the author's own reporting makes the argument that recalibrating the church's engagement with politics and public life is vital for both the Church and the country. Yet American Catholicism is not simply defined by church politics, theological disputes or the latest Catholic controversy in the headlines. The Church that Pope Francis envisions bruised, hurting and dirty because it has been out on the streets can be found every day among Catholic advocates working on the border in the lives of young Catholics who question the church's teachings but who are active in social justice campaigns; in the persistence of LGBTQ Catholics who carve out tenuous shelters in a church that doesn't accept their full humanity; and in the experiences of seminarians who work in the fields with migrants as part of their religious formation. Throughout the book, profiles of these Catholics weave in on the ground reporting and examines trends that are essential in understanding the Catholic experience in the United States. By illuminating the stories of these Catholics, the book provides a richer portrait of American Catholicism than most people see in the media, as well as offering living examples of a pastoral and prophetic Catholicism that can serve as inspiration for more systemic reform and renewal.

The Lord's Work Tim Grass, 2017-10-20. The Catholic Apostolic Church combined liturgical worship, charismatic experience, ecumenical vision and eschatological expectation. Philip Schaff commented that the claims made for its apostles if true, commanded every Christian's attention. Historians and liturgists alike have been fascinated by the Church but deterred from researching it because of the notorious difficulty of access to material. This account of the church's growth and decline draws on archival sources from several countries, many not hitherto used for research and publications in German as well as English. Previous accounts in English have focused on the Church in the English-speaking world but this book breaks fresh ground by covering the Church's development in every country where it was active. Surveying Catholic Apostolic history, polity and ministry, it seeks to tell the story rather than using the Church as a test case for a preconceived hypothesis. In so doing, it opens up a range of lines of inquiry for future researchers. **Repertorium oratoris sacri, outlines of 600 sermons** Herman Joseph Hueser, 1883 **The Catholic Periodical and Literature**
