The Russian Presidency of Dmitry Medvedev, 2008-2012 J. L. Black, 2014-08-21 The term tandem was used to describe the Putin Medvedev combination which ruled Russia from 2008 to 2012 when Medvedev was president and Putin prime minister Many people saw Putin as the real wielder of power with Medvedev as his puppet Others however saw Medvedev as a visionary someone who envisioned large scale schemes even though these schemes have not yet come to fruition At the same time many in the West regarded Medvedev favourably and gave him credit for raising expectations among both the elite and the middle classes in Russia in such a way as to make it difficult for the Russian state to return to its old ways This book presents a comprehensive survey of the Medvedev presidency covering all areas including politics the economy international relations and social developments The author concludes that it is still too early to assess Medvedev's achievements definitively

*The Russian Cosmists* George M. Young, 2012-08-16 The ideas of the

Cosmists have in recent decades been rediscovered and embraced by many Russian intellectuals Here Young offers a dynamic and wide ranging examination of the lives and ideas of the Russian Cosmists Politics In Russia: A Reader Joel M. Ostrow,2013 Covering the major contours of any Russian politics course and comprehensive enough to serve as a core text this new reader includes sections from the Soviet political system and its collapse to the debate about post Communist transition and efforts toward political and economic reform A former journalist who worked in Russia Ostrow s substantial headnotes blend needed background with insights from his experience to create a nuanced treatment of Russian politics

*A History of Beekeeping and the Honeybee in Contested Eastern European Landscapes* Catherine B. Clay,2024-12-21 A History of Beekeeping and the Honeybee in Contested Eastern European Landscapes Empires of the Bee traces the material cultural dynamics of the honeybee and beekeeping from prehistory to the present through Kievan Rus the Novgorod Republic Muscovy Imperial Russia the Soviet Union and the Russian Federation Interweaving environmental social economic and cultural history this book explores the meaning and experience of beekeeping in the longue duree to its public history in Russian museums today Although eclipsed by momentous events and developments in Russia s history the humble honeybee is fundamental to the history and culture of this region **Play Among Books** Miro Roman,Alice \_ch3n81,2021-12-06 How

does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice\_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science **The EU-Russia Borderland** Heikki Eskelinen,Ilkka Liikanen,James W. Scott,2013-05-20 After the

collapse of the Soviet Union there were high hopes of Russia s modernisation and rapid political and economic integration with the EU But now given its own policies of national development Russia appears to have limits to integration Today much European political discourse again evokes East West civilisational divides and antagonistic geopolitical interests in EU Russia relations This book provides a carefully researched and timely analysis of this complex relationship and examines whether this turn in public debate corresponds to local level experience particularly in border areas where the European Union and Russian Federation meet This multidisciplinary book covering geopolitics international relations political economy and human geography argues that the concept limits to integration has its roots in geopolitical reasoning it examines how Russian regional actors have adapted to the challenges of simultaneous internal and external integration and what kind of strategies they have developed in order to meet the pressures coming across the border and from the federal centre It analyses the reconstitution of Northwest Russia as an economic social and political space and the role cross border interaction has had in this process The book illustrates how a comparative regional perspective offers insights into the EU

Russia relationship even if geopolitics sets certain constraints to co operation and market processes have led to conflict in cross border interaction several actors have been able to take initiative and create space for increasing cross border integration in the conditions of Russia s internal reconstitution

### **Visual Representations of the Arctic** Markku

Lehtimäki, Arja Rosenholm, Vlad Strukov, 2021-03-31 Privileging the visual as the main method of communication and meaning making this book responds critically to the worldwide discussion about the Arctic and the North addressing the interrelated issues of climate change ethics and geopolitics A multi disciplinary multi modal exploration of the Arctic it supplies an original conceptualization of the Arctic as a visual world encompassing an array of representations imaginings and constructions By examining a broad range of visual forms media and forms such as art film graphic novels maps media and photography the book advances current debates about visual culture The book enriches contemporary theories of the visual taking the Arctic as a spatial entity and also as a mode of exploring contemporary and historical visual practices including imaginary constructions of the North Original contributions include case studies from all the countries along the Arctic shore with Russian material occupying a large section due to the country s impact on the region

### *Soviet Fates and Lost*

*Alternatives* Stephen F. Cohen, 2009-06-23 In this wide ranging and acclaimed book Stephen F Cohen challenges conventional wisdom about the course of Soviet and post Soviet history Reexamining leaders from Nikolai Bukharin Stalin s preeminent opponent and Nikita Khrushchev to Mikhail Gorbachev and his rival Yegor Ligachev Cohen shows that their defeated policies were viable alternatives and that their tragic personal fates shaped the Soviet Union and Russia today Cohen s ramifying arguments include that Stalinism was not the predetermined outcome of the Communist Revolution that the Soviet Union was reformable and its breakup avoidable and that the opportunity for a real post Cold War relationship with Russia was squandered in Washington not in Moscow This is revisionist history at its best compelling readers to rethink fateful events of the twentieth and early twenty first centuries and the possibilities ahead In his new epilogue Cohen expands his analysis of U S policy toward post Soviet Russia tracing its development in the Clinton and Obama administrations and pointing to its initiation of a new Cold War that he implies has led to a fateful confrontation over Ukraine
