Zingg, 2018-04-27 Focusing on the landscapes and memory of golf and examining the game's nature and appeal this collection of seventy two haiku poems and essays aims to lead readers to a fuller appreciation of the culture and history of golf and a deeper awareness of a player's place in the game *Be the Pine Be the Ball* also reveals the compelling beauty and power of haiku the most popular poetic form in the world Through the brevity of its style precise language and ability to reveal how ordinary moments and elements of our lives are pathways to a better understanding of ourselves and the world around us haiku can have both a meditative and consequential effect on the reader A key to the connection between haiku and golf is

that both foster powers of concentration and detailed observation with a related reduction of distractions Both seek to cultivate a more tranquil and disciplined mind and to translate that condition into how a life is lived and a game is played

immigrant's visa, very little money and my packed bags I took off leaving the family behind. It would take until March 16 for them to join me. During that time much happened, most of it very different to what I had expected. It was a bold step but I was young, ambitious and adventurous. I arrived in New York in the early evening. It was raining, cold and dark. I took a taxi to Manhattan and met my new employer. I told the driver how happy I was to be back in the city where people were so friendly. He thought I was making fun of him and almost stopped the car to let me off. I was shown to an apartment on 71 Street, my temporary home. It was dark, cold and sparsely furnished. No sheets, no blankets or pillows, no towels. It was around eleven o'clock but to me it was five in the morning. I was exhausted. I pulled my trench coat over me and promptly went to sleep, ignoring John's knocks on the door. The following morning I went to the hospital to inspect my new workplace, occupy my office and meet my new colleagues. But no space had been prepared for me, not even a desk. I began to doubt my decision. But there was much more to come. I learned the hard way that coming as a visitor and giving a few lectures is one thing. Coming as an additional staff member is completely different. Instead of being a celebrated guest, I was now a competitor. *Golf*, 1890
