This book examines the intersection of policy and practice in the use of student growth measures SGMs for high stakes purposes as per such educator evaluation systems The book also focuses on examinations of educators perceptions of and reactions to the use of SGMs ethical implications pertaining to the use of SGMs contextual challenges when implementing SGMs and legal implications of SGM use The use of student test score data has been the cornerstone of the recent transfiguration of educator evaluation systems in forty two states and the District of Columbia Three leading voices on SGMs Sean Corcoran Henry Braun and David Berliner also serve as section and concluding commentators

Big Box Schools Lori Latrice Martin,2015-04-21 The American public school system is at a crossroad One pathway is decorated with signs and institutions that will lead public education towards a destination of collective obligation accountability and responsibility that is student centered community based and driven by educators and parents working in the best interest of students families communities and the broader society The other pathway is littered with pamphlets flyers and electronic billboards falsely advertising the merits of school choice The direction American public schools appear to have taken over the past few decades is increasingly dotted with charter schools operated by for profit multinational corporations and themed public schools Increasingly efforts to reform public education in America resemble the business model made popular by the founder of Wal Mart Sam Walton **Big Box Schools Race Education and the Danger of the Wal**

Martization of Public Schools in America examines the dangers of the Wal Martization of American public schools and highlights efforts to challenge policies and practices which place greater emphasis on profits than on pupils
