The Divorce Ceremony Patricia Ann

Russell, 2013-09-17 How to connect fully with Spirit by letting go of Ego and inviting love compassion and forgiveness into your heart In the late 90s Patricia Ann Russell and her soon to be ex husband mailed 400 invitations for their Divorce Ceremony to family friends and acquaintances Over 100 of them came including their three teenage children caterers photographers a DJ and their in laws Especially important for Patricia was that her father who had not visited her from their native Bahamas since she'd moved away 25 years earlier and where he'd originally walked her down the aisle came to take her back In a world that's accustomed to bitter and angry divorces Patricia's father had never imagined two people with great respect and love for each other going their separate ways with a ceremony The idea is a new one and revolutionary in its simplicity and healing power In spite of Patricia's best intentions to move forward however she struggled mightily after her divorce The departure of her daughters for college the gravity of her father's advanced prostate cancer and mounting financial stress compounded her loneliness and desperation One night while lying in bed exhausted from crying praying cursing and screaming to God for help Patricia heard a voice say Who would you rather take on your journey Fear and Grief or Love and Joy Too tired to respond the question was difficult to ignore And yet the answer was obvious Patricia's dark night of the soul was the turning point where her faith was restored and she began to understand and accept her divorce as a symbolic act of divorcing her own Ego a prelude to its final submission to a higher authority the spiritual Self Until now no other book has provided an integrated approach that enables the divorced to navigate the emotional quagmires regardless of time The Divorce Ceremony helps people to acknowledge their pain but not wallow in it to understand spiritually what they
