

A couple is shown from behind, holding hands and walking away. The man is wearing a white long-sleeved shirt and mustard-colored shorts. The woman is wearing a light-colored, possibly yellow or cream, dress. They are walking on a light-colored surface, and the background is a bright, hazy white, suggesting a sunny day. The overall mood is romantic and peaceful.

Polysecure Jessica Fern,2020-10-23 A practical translation of the principles of attachment theory to nonmonogamous relationships Attachment theory has entered the

mainstream but most discussions focus on how we can cultivate secure monogamous relationships What if like many people you're striving for secure happy attachments with more than one partner Polyamorous psychotherapist Jessica Fern breaks new ground by extending attachment theory into the realm of consensual nonmonogamy Using her nested model of attachment and trauma she expands our understanding of how emotional experiences can influence our relationships Then she sets out six specific strategies to help you move toward secure attachments in your multiple relationships Polysecure is both a trailblazing theoretical treatise and a practical guide Designer Relationships Mark Michaels, 2015-09-08

Contemporary relationships are in a state of rapid evolution These changes can and should empower people with the opportunity to develop partnerships based on their own sexualities understandings and agreements This makes it possible to create what Kenneth Haslam founder of the Kinsey Institute's Polyamory Archive has called designer relationships Designer relationships may encompass people who bond emotionally but not sexually people who agree to be non exclusive single people who have occasional lovers or friends with benefits multiple partner configurations where long term bonds exist among all or some partnerships in which people are kinky and that make room to explore kink The possibilities are limitless and thinking about a partnership as something people can craft allows for flexibility and change Relationships can open and close or have varying degrees and kinds of openness as circumstances demand In the context of a designer relationship decisions are made mutually consciously and deliberately Best selling authors and nationally known relationship experts Patricia Johnson and Mark A Michaels are exemplars of this life choice and have studied polyamory for over 20 years This book explains exactly how you and your loved ones can design your own life and love *Beyond The Lens of Love* Olajumoke Bello, 2024-12-21 Beyond the Lens of Love is a heartfelt explanatory book on love friendship and marriage through the lens of God's intentionality This book delves beyond the surface to uncover the unsung ingredients that build and sustain meaningful relationships From love and trust to compromise and spiritual connection each chapter serves as a guide to building relationships that reflect God's purpose and design Unlike many relationship books this work emphasizes not only the beauty of marriage but also the necessity of friendship before and within marriage It provides practical wisdom for navigating challenges fostering unity and establishing foundations rooted in faith Through relatable anecdotes scriptural truths and thought provoking insights Beyond the Lens of Love inspires readers to approach relationships with humility vulnerability and intentionality Whether single engaged or married readers will find valuable lessons to strengthen their relationships This is not a step by step manual but an invitation to partner with God in building relationships that glorify Him **The 50**
