author Nancy Levin shows you how to turn the old model of relationship on its head and build something better and more fulfilling than you've had before. Are you ready to go back to the drawing board in your love life and end up more satisfied than you've ever been before? In these pages master coach Nancy Levin takes a truly fresh look at relationships showing you how to build them better from the ground up or perform some skillful renovations. Permission to Put Yourself First is for you if you fit any of these profiles: you're single and looking for a new relationship beyond what you've experienced before; you're happy alone but looking toward a great relationship in the future; you're divorced and determined never to do that again; or you're recovering from the death of a partner and unsure what's next. It's also for you if you're currently in a relationship that you want to refresh and restore, a relationship that challenges or threatens your boundaries, a relationship you're not sure you can salvage, or a relationship you recognize as the exact right teacher for you even if it's not easy. Essentially, this book is for you if you're ready for something more in relationship than what the old models have offered. It's based on the essential truth that relationship is first and foremost where we learn to love ourselves. Drawing on many of the same exercises she uses with her clients, Nancy guides you through a 10-step process to dissolve your emotional and psychological roadblocks to self-love so you can have the relationship you truly desire.

Kiss Your Fights Good-bye Jamie Turndorf, Dr., 2014-01-20 Heated fighting triggers a biochemical imbalance in men that causes them to flee from conflict. The technical name for this is the Demand-Withdraw-Negative-Escalation Cycle, also known as husband withdrawal. This is the number one cause of marital and relationship strife, divorce, and domestic violence. Dr. Jamie Turndorf's techniques, based on 30 years of research out of her Center for Emotional Communication, transform conflict into connection for a lifetime of lasting love. Even if you're locked in battle and have been for years, your relationship can change. Beginning with simple Cool-Down steps, you'll learn why husband withdrawal occurs and then how to use Climate Control strategies to reset the relationship. Women will discover the real reason why men never seem to listen: it's nothing personal and the secret trick that actually makes them want to listen and stick around to settle disputes. Dr. Turndorf's proven conflict resolution method interrupts the cycle of fighting for the majority of couples and can also be used to defuse disagreements among friends and family members.
