job Sure maybe in the beginning I was taken in by his pretty face and gorgeous body But his obnoxious presence killed any attraction I might have felt a long time ago Carter is my cousin s best friend and thanks to the fugue state I must have been in when I agreed to this living arrangement he s my roommate for senior year Everything would be fine between us if he would just stop messing with me So when he takes his antics a little too far who can blame me for retaliating in kind Carter wants to bring a hookup back to the apartment for the night Fine by me Is there any real harm done if I ambush them in the morning and introduce myself as his baby mama Am I necessarily taking things too far if I whip up a batch of laxative laced brownies The real question is how I m going to make it through eight more months without slowly wrapping my fingers around his throat and squeezing tight I m sorry did you actually think I was going to say something else Please as if that would happen
